Personal Health Information Protection Act, 2004

The Minister of Health on behalf of the Government of Ontario invites public comments on regulation proposed to be made under the *Personal Health Information Protection Act, 2004* (“PHIPA”).

PHIPA came into force on November 1, 2004. Ontario Regulation 329/04, “General,” made under PHIPA (“the PHIPA Regulation”) also came into force on November 1, 2004. The Government is proposing amendments to the PHIPA Regulation. PHIPA requires that the Minister publish a notice of the proposed regulation and allow 60 days for public comment, after which the Minister reports to the Lieutenant Governor in Council, who may then finalize the regulation with or without changes.

Content of Proposed Regulation

The proposed regulation would stipulate that:

Effective July 1, 2023,

- If patients make an access request for their personal health information (PHI) in electronic format, Health Information Custodians (HICs) must provide patients with PHI in an electronic format specified by Ontario Health (OH) and posted on OH’s website.
- OH will obtain Minister approval prior to specifying the prescribed formats; and
- The Minister may direct OH to specify or amend the electronic format as required.
- Alternatively, HICs can provide access to PHI in an electronic format agreed to by the HIC and the individual.

The proposed regulation seeks to improve upon the existing regulation to promote prescribed electronic formats that are up-to-date based on provincial and international standards for interoperability and information sharing, and allow for patients to better use their data to manage their health status and health care journey.

The public is invited to provide written comments on the proposed regulation over a 60-day period, commencing on **September 24, 2022 and ending on November 22, 2022**.

In providing comments, please consider whether the proposed regulation should be made, with or without changes. Furthermore, please consider whether any other regulations should be made to the PHIPA Regulation. Please be as specific as possible and provide a full rationale for any suggested changes or additions.

Written comments should be addressed to:

AVIS DE PROJET DE RÈGLEMENT

Loi de 2004 sur la protection des renseignements personnels sur la santé

La ministre de la Santé, au nom du gouvernement de l'Ontario, sollicite les observations de la population sur un projet de règlement en application de la *Loi de 2004 sur la protection des renseignements personnels sur la santé (LPRPS)*.

La *LPRPS* est entrée en vigueur le 1^{er} novembre 2004, et le Règlement de l'Ontario 329/04 (Dispositions générales), pris en application de cette loi, a pris effet à la même date. Le gouvernement propose de modifier ce règlement. La *LPRPS* exige que la ministre publie un avis du règlement proposé et accorde 60 jours à la population pour présenter des observations, après quoi la ministre rend compte au lieutenant-gouverneur en conseil, qui peut ensuite prendre le règlement avec ou sans modifications.

Teneur du projet de règlement

Le règlement proposé prévoit ce qui suit :

À compter du 1^{er} juillet 2023,

- si une patiente ou un patient fait une demande d'accès à ses renseignements personnels sur la santé (RPS) sous forme électronique, le dépositaire de renseignements sur la santé (DRS) doit les lui fournir dans le format électronique indiqué par Santé Ontario (SO) sur son site Web;
- Santé Ontario doit obtenir l'autorisation de la ministre avant de déterminer les formats prescrits;
- la ministre peut ordonner à Santé Ontario de préciser ou de modifier le format électronique, au besoin;
- le DRS peut aussi donner accès aux RPS dans le format électronique convenu avec le particulier.

Ce projet vise à améliorer le règlement existant en faisant la promotion de formats électroniques prescrits en phase avec les normes provinciales et internationales en matière d'interopérabilité et de partage d'information, et à permettre à la patientèle de mieux utiliser ses données pour gérer son état de santé et son parcours dans le continuum de soins.

La population a 60 jours pour présenter ses observations par écrit sur le projet de règlement (**du 24 septembre au 22 novembre 2022**).

Lorsque vous formulez vos observations, veuillez préciser si vous estimez que le règlement proposé devrait être pris avec ou sans modifications. Indiquez-nous également si vous pensez que d'autres règlements devraient être pris en application de la *LPRPS*. Prière de formuler vos observations le plus clairement possible et de justifier pleinement les ajouts ou modifications proposés.

Les observations doivent être envoyées à l'adresse suivante :

AVIS DE PROJET DE RÈGLEMENT

Loi de 2004 sur la protection des renseignements personnels sur la santé

Le ministre de la Santé, au nom du gouvernement de l'Ontario, invite le public à formuler des commentaires sur le projet de règlement en vertu de la *Loi de 2004 sur la protection des renseignements personnels sur la santé* (LPRPS).

La LPRPS est entrée en vigueur le 1^{er} novembre 2004. Le Règlement de l'Ontario 329/04, « Dispositions générales », pris en application de la LPRPS (le « Règlement de la LPRPS ») est également entré en vigueur le 1^{er} novembre 2004. Le gouvernement propose des modifications au Règlement de la LPRPS. La LPRPS exige que la ministre publie un avis du projet de règlement et prévoit une période de 60 jours permettant au public de faire part de ses commentaires, période à l'issue de laquelle la ministre remettra un rapport au lieutenant-gouverneur en conseil, qui adoptera alors le règlement avec ou sans amendements.

Contenu du projet de règlement initial

Le ministère propose de modifier la date de proclamation du paragraphe 51 (5) de la LPRPS du 30 septembre 2022 au 31 mars 2023 et, si ce projet est approuvé, le ministère proposera également de modifier les dates auxquelles certains dossiers du dossier de santé électronique deviendront accessibles aux particuliers par voie numérique par l'intermédiaire de Santé Ontario. Plus précisément, sous réserve de certaines exceptions, Santé Ontario serait tenu d'agir comme s'il était un dépositaire de renseignements sur la santé à l'égard de ce qui suit :

- Les dossiers dérivés du Système d'information de laboratoire de l'Ontario ou d'un répertoire qui le remplace à partir du 31 mars 2023;
- Les dossiers dérivés du Répertoire numérique des médicaments ou d'un répertoire qui le remplace à partir du 31 mars 2023;
- Les dossiers dérivés du Service commun d'imagerie diagnostique ou d'un répertoire qui le remplace à partir du 31 mars 2024;
- Les dossiers dérivés du Répertoire des données cliniques sur les soins actifs et communautaires ou d'un répertoire qui le remplace à partir du 31 mars 2024.

Le projet de règlement, s'il est approuvé, contribuera à faire en sorte que Santé Ontario dispose de plus de temps pour mettre en œuvre le cadre stratégique et l'infrastructure technologique nécessaires pour répondre à ses exigences légales lorsque le paragraphe 51 (5) de la LPRPS entrera en vigueur.

Le public est invité à faire part de ses commentaires par écrit sur le projet de règlement pendant une période de 60 jours, commençant le **24 septembre 2022** et se terminant le **22 novembre 2022**.

Dans vos commentaires, veuillez déterminer si le projet de règlement devrait être adopté, avec ou sans modifications. En outre, veuillez examiner si d'autres règlements devraient être ajoutés au Règlement de la LPRPS. Veuillez être aussi précis que possible et fournir une justification complète de tout changement ou ajout suggéré.
