Notice of Minister of Health

NOTICE OF PROPOSED REGULATION

Personal Health Information Protection Act, 2004

The Minister of Health on behalf of the Government of Ontario invites public comments on a regulation proposed to be made under the *Personal Health Information Protection Act, 2004* (“**PHIPA**”).

PHIPA came into force on November 1, 2004. Ontario Regulation 329/04, “General,” made under PHIPA (“**PHIPA Regulation**”), also came into force on November 1, 2004.

The Government is proposing a new regulation to amend Ontario Regulation 329/04 that sets out the parameters by which the Information and Privacy Commissioner (“**IPC**”) would impose administrative monetary penalties on contraveners of PHIPA.

After a posting period of 60 days, the Minister will report to the Lieutenant Governor in Council, who may then finalize the regulation with or without changes.

Content of Proposed PHIPA Regulation

The proposed regulation sets the maximum administrative penalty amounts at \$50,000 for individuals and \$500,000 for organizations, enables the IPC to increase a penalty in proportion to economic benefit accrued from a contravention, designates mandatory criteria that the IPC would use to determine a penalty amount, and enables the consideration of any other criteria the IPC finds relevant.

Invitation to Provide Comments on Proposed Regulation

The public is invited to provide written comments on the proposed regulation over a 60-day period, from May 27 to July 25, 2023.

In providing comments, please consider whether the proposed regulation should be made, with or without changes. Furthermore, please consider whether any other amendments should be made to the proposed PHIPA Regulation. Please be as specific as possible and provide a full rationale for any suggested changes or additions.

Written comments may be addressed to:

AVIS DE PROPOSITION DE RÈGLEMENT

Loi de 2004 sur la protection des renseignements personnels sur la santé

La ministre de la Santé, au nom du gouvernement de l'Ontario, invite le public à formuler des commentaires sur une proposition de règlement devant être pris en application de la *Loi de 2004 sur la protection des renseignements personnels sur la santé* (« **LPRPS** »).

La LPRPS est entrée en vigueur le 1^{er} novembre 2004. Le Règlement de l'Ontario 329/04 « Dispositions générales », pris en application de la LPRPS (le « **Règlement de la LPRPS** »), est également entré en vigueur le 1^{er} novembre 2004.

Le gouvernement propose un nouveau règlement qui a pour effet de modifier le Règlement de l'Ontario 329/04 et qui établit les paramètres utilisés par le Commissaire à l'information et à la protection de la vie privée (« **CIPVP** ») pour imposer des pénalités administratives lorsqu'il y a contravention à la LPRPS.

Après une période d'affichage de 60 jours, la ministre fera rapport au lieutenant-gouverneur en conseil, qui pourra ensuite mettre la touche finale au règlement avec ou sans modifications.

Contenu de la proposition de Règlement de la LPRPS

Le règlement proposé établit un montant maximal de 50 000 \$ pour les pénalités administratives imposées à des particuliers et de 500 000 \$ lorsqu'il s'agit d'organisations, habilite le CIPVP à augmenter une pénalité proportionnellement aux avantages économiques découlant d'une contravention, désigne les critères obligatoires que le CIPVP utiliserait pour déterminer le montant d'une pénalité et habilite le CIPVP à prendre en considération tout autre critère qu'il juge pertinent.

Invitation à formuler des commentaires sur la proposition de règlement

Le public est invité à formuler des commentaires écrits sur la proposition de règlement durant la période de 60 jours, qui commence le 27 mai et se termine le 25 juillet 2023.

Lorsque vous formulez des commentaires, veuillez déterminer si le règlement proposé devrait être pris, avec ou sans modifications. Veuillez aussi déterminer si toute autre modification devrait être apportée au Règlement de la LPRPS proposé. Veuillez être aussi précis que possible et fournir une justification complète pour toute suggestion de modification ou d'ajout.
