Differential Premium Score Determination

Published, The Ontario Gazette, Date June 8, 2019. This document is issued by the Financial Services Regulatory Authority of Ontario (the Authority) to set out the rules it applies when determining the differential premium score of a credit union or league for a year, pursuant to section 105 of Ontario Regulation 237/09 (the General Regulation) made under the *Credit Unions and Caisses Populaires Act*, 1994 (the Act). It sets out the rules for determining the differential premium score of a credit union or league with a financial year beginning on or after January 1, 2018. The score will be used by the Authority to calculate the annual deposit insurance premium payable by a credit union or league under section 105 of the regulation.

1. Differential Premium Score Determination

The differential premium score of a credit union or league is calculated with reference to the following components:

- Capital: as measured by the level of regulatory capital of the credit union or league; and
- Corporate governance as measured by the effectiveness of the corporate governance practices of the credit union or league as determined with reference to the Act, the rules and the by-laws of the Authority.

The maximum score attainable is 100 points. A credit union or league may receive a maximum of:

- 64 points for the capital component; and
- 36 points for the governance component.

Where a credit union or league does not file its annual return or the resolution of the board of directors as required under the Authority's By-law No. 5, as amended from time to time, or Authority rule respecting Standards of Sound Business and Financial Practices, the credit union or league will be assigned a score of **zero** points.

2. Capital Component

Points for the capital component of the score are calculated based on information from the annual return filed with the Authority by the credit union or league.

For all credit unions or leagues, the number of points for the capital component will be determined as follows:

- Where regulatory capital expressed as a percentage of its total assets is **less than 4.00%**, the credit union or league will receive zero points for the capital component.
- Where regulatory capital expressed as a percentage of its total assets is **4.00% or more**, the points for the capital component for a credit union or league will be based on its regulatory capital expressed as a percentage of its risk-weighted assets, as follows:
- Where regulatory capital expressed as a percentage of its risk weighted assets is **less than 8.00%**, the credit union or league will receive **zero** points.
- Where regulatory capital expressed as a percentage of its risk weighted assets is **greater than or equal to 8.00% and less than 8.10%**, the credit union or league will receive **one** point.
- Where regulatory capital is **greater than or equal to 8.10% and less than 14.00%**, the credit union or league will receive points based on the following formula:

$$[(D - 8.00\%) \div 6.00\%] \times 64$$

in which, "D" is regulatory capital expressed as a percentage of its risk weighted assets

Where regulatory capital expressed as a percentage of its risk weighted assets is **14.00% or more**, the credit union or league will receive **64**

3. Corporate Governance Component

Points for corporate governance will be based on ratings determined during the examination of the credit union or league conducted by the Authority. Examination ratings will be based on an assessment of compliance with the Act and regulations made under the Act, orders made by the CEO of the Authority, the by-laws and rules of the Authority, and the credit union's or league's own by-laws and policies.

The maximum rating for each standard is set out in Table 1 below:

**TABLE 1:
CORPORATE GOVERNANCE RATING ALLOCATIONS**

Standard	Maximum Rating
Board of Directors	30
Audit Committee	20
Management	50
Total	100

The ratings for each standard are totaled and then converted to points, based on the following formula:

$$(G \div 100) \times 36$$

in which, "G" is the total rating of all corporate governance standards

Each standard has a number of specific elements that will be separately assessed during the examination of the credit union or league by the Authority. There are three ratings that can be obtained: Adequate, Needs Improvement, or Inadequate. Ratings will be assigned for each element within each standard as set out in Tables 2, 3 and 4 below:

Détermination de la cote aux fins du calcul de la prime différentielle

Document publié dans la Gazette de l'Ontario le 8 juin 2019

Le présent document est publié par l'Autorité ontarienne de réglementation des services financiers (l'Autorité) et a pour objet de fixer les règles pour la détermination de la cote aux fins du calcul de la prime différentielle d'une caisse ou d'une fédération pour l'année, en vertu de l'article 105 du Règlement de l'Ontario 237/09 (les « Dispositions générales ») pris en application de la Loi de 1994 sur les caisses populaires et les credit unions (la « Loi »). Il énonce les règles pour la détermination de la cote aux fins du calcul de la prime différentielle d'une caisse ou d'une fédération à l'égard d'un exercice qui commence le 1er janvier 2018 ou par la suite. L'Autorité se servira de la cote aux fins du calcul de la prime annuelle d'assurance-dépôts payable par une caisse ou une fédération en vertu de l'article 105 du règlement.

1. Détermination de la cote aux fins du calcul de la prime différentielle

La cote aux fins du calcul de la prime différentielle d'une caisse ou d'une fédération est établie en fonction des éléments suivants :

- Le capital : mesuré d'après le niveau réglementaire de la caisse ou de la fédération;
- La gouvernance : mesurée d'après l'efficacité des méthodes de gouvernance de la caisse ou de la fédération, fondées sur la Loi, les règles et les Règlements administratifs de l'Autorité.

Le maximum pouvant être atteint est de 100 points. Une caisse ou une fédération peuvent obtenir un maximum de :

- 64 points pour la composante associée au capital;
- 36 points pour la composante associée à la gouvernance.

Toute caisse ou fédération qui ne soumettent pas leur rapport annuel ou la résolution du conseil conformément au Règlement administratif no 5 de l'Autorité et ses modifications successives, ou à une règle de l'Autorité qui établit des normes de saines pratiques commerciales et financières, se verront attribuer zéro point.

2. Composante CAPITAL

Le calcul des points attribués à la composante capital de la cote est déterminé sur la base des informations présentées par la caisse ou la fédération dans le Rapport annuel soumis à l'Autorité.

Le calcul des points attribués à la composante capital de toutes les caisses ou fédérations sera établi comme suit :

- Une caisse ou une fédération qui affichent un ratio **inférieur à 4,00 %** en matière de capital réglementaire exprimé en pourcentage de l'actif total se verront attribuer **zéro** point pour la composante capital.
- Les points pour la composante capital d'une caisse ou d'une fédération qui affichent un ratio de **4,00 % ou plus** en matière de capital réglementaire exprimé en pourcentage de l'actif total seront attribués en fonction de leur capital réglementaire

exprimé en pourcentage de l'actif à risque pondéré, de la manière suivante :

- Une caisse ou une fédération qui affichent un ratio **inférieur à 8,00 %** en matière de capital réglementaire exprimé en pourcentage de l'actif à risque pondéré se verront attribuer **zéro** point.
- Une caisse ou une fédération qui affichent un ratio **supérieur ou égal à 8,00 % et inférieur à 8,10 %** en matière de capital réglementaire exprimé en pourcentage de l'actif à risque pondéré se verront attribuer un point.
- Une caisse ou une fédération qui affichent un ratio **supérieur ou égal à 8,10 % et inférieur à 14,00 %** en matière de capital réglementaire se verront attribuer des points en fonction de la formule suivante :

$$[(D - 8,00 \%) \div 6,00 \%) \times 64$$

où :

« D » correspond au capital réglementaire exprimé en pourcentage de l'actif à risque pondéré

Une caisse ou une fédération qui affichent un ratio de **14,00 % ou plus** en matière de capital réglementaire exprimé en pourcentage de l'actif à risque pondéré se verront attribuer **64** points.

3. Composante GOUVERNANCE D'ENTREPRISE

Les points associés à la gouvernance d'entreprise seront accordés selon les cotes obtenues lors de l'inspection de la caisse ou de la fédération, par l'Autorité. Pour établir les cotes d'inspection, on évaluera dans quelle mesure la caisse ou la fédération se conforment à la Loi et à ses règlements, aux ordonnances imposées par le directeur général de l'Autorité, aux règlements administratifs et aux règles de l'Autorité, ainsi qu'aux propres règlements administratifs et politiques de la caisse ou de la fédération.

Le tableau 1 ci-dessous indique la cote maximale qui peut être obtenue pour chaque norme.

**TABEAU 1 :
RÉPARTITION DES POINTS POUR LA GOUVERNANCE
D'ENTREPRISE**

Norme	Cote maximale
Conseil d'administration	30
Comité d'audit	20

$$(G \div 100) \times 36$$

où :

« G » correspond à la cote totale obtenue pour toutes les normes de gouvernance d'entreprise

Chaque norme comprend des éléments spécifiques qui seront évalués séparément lors de l'inspection établie par l'Autorité pour la caisse ou la fédération en fonction des trois niveaux suivants : Satisfaisant, Amélioration requise ou Insatisfaisant.
