Amending O. Reg. 20/98

(EDUCATION DEVELOPMENT CHARGES - GENERAL)

1. Section 7 of Ontario Regulation 20/98 is revoked and the following substituted:**DETERMINATION OF EDUCATION DEVELOPMENT CHARGES**

7. Before an education development charge by-law is passed, the board shall do the following for the purposes of determining the education development charges:

1. The board shall estimate the number of new dwelling units in the area in which the charges are to be imposed for each of the years, for a period chosen by the board of up to 15 years, immediately following the day the board intends to have the by-law come into force. The board's estimate shall include only new dwelling units in respect of which education development charges may be imposed.
2. The board shall identify different types of new dwelling units and estimate, for each type, the average number of new school pupils generated by each new dwelling unit who will attend schools of the board.
3. For each of the years referred to in paragraph 1, the board shall estimate the total number of new school pupils using the estimated number of new dwelling units and the estimated average number of new school pupils generated by each new dwelling unit and, subtracting from that number, the number of existing school pupil places that, in the opinion of the board, could reasonably be used to accommodate those new school pupils.
4. The board shall estimate the net education land cost for the school sites required to provide pupil places for the number of new school pupils estimated under paragraph 3.
5. The board shall estimate the balance of the education development charge account, if any, relating to the area in which the charges are to be imposed. The estimate shall be an estimate of the balance immediately before the day the board intends to have the by-law come into force.
6. The board shall adjust the net education land cost with respect to any balance estimated under paragraph 5. If the balance is positive, the balance shall be subtracted from the cost. If the balance is negative, the balance shall be converted to a positive number and added to the cost.
7. The net education land cost as adjusted, if necessary, under paragraph 6, is the growth-related net education land cost.
8. The board shall choose the percentage of the growth-related net education land cost that is to be funded by charges on residential development and the percentage, if any, that is to be funded by charges on non-residential development. The percentage that is to be funded by charges on non-residential development shall not exceed 40 per cent.
9. The board shall determine the charges on residential development subject to the following:
 - i. The charges shall be expressed as a rate per new dwelling unit.
 - ii. The rate shall be the same throughout the area in which charges are to be imposed under the by-law.
 - iii. The rate shall be an amount that does not exceed the maximum rate, which is determined by taking the lesser of,
 - A. the rate that, if applied over the period referred to in paragraph 1 to the estimated residential development in the area to which the by-law would apply and for which charges may be imposed, would not exceed the percentage of the forecasted growth-related net education land cost that is to be funded by charges on residential development, and
 - B. the residential rate set out in the by-law in effect on August 31, 2018 that applied to the area in which the proposed by-law would impose charges.
10. Despite paragraph 9, if the board intends to impose different charges on different types of residential development, the board shall determine,
 - i. the percentage of the growth-related net education land cost to be funded by charges on residential development that is to be funded by each type of residential development, and

- ii. the charges on each type of residential development, subject to the rules in subparagraphs 9 i, ii and iii.
- 11. If charges are to be imposed on non-residential development, the board shall determine the charges, subject to the following:
 - i. The charges shall be expressed as one of the following types of rate, as selected by the board:
 - A. A rate to be applied to the board-determined GFA of the development.
 - B. A rate to be applied to the declared value of the development.
 - ii. The board may choose to have one type of rate for some parts of the area in which charges are to be imposed and the other type of rate to apply to the other parts of the area in which charges are to be imposed.
 - iii. The board may not choose to have both types of rate apply within a municipality.
 - iv. If only one type of rate applies under the by-law, the rate shall be the same throughout the area in which charges are to be imposed under the by-law.
 - v. If both types of rate are to apply under the by-law, each of those rates shall be the same throughout the area in which each type of rate applies.
 - vi. The rate (or rates if both types of rate are to apply under the by-law) shall be a rate determined such that it does not exceed the maximum rate, which is determined by taking the lesser of,
 - A. the rate (or rates if both types of rate are to apply under the by-law) that, if applied over the period referred to in paragraph 1 to the estimated non-residential development in the area to which the by-law would apply and for which charges may be imposed, would not exceed the percentage of the forecasted growth-related net education land cost that is to be funded by charges on non-residential development, and
 - B. the non-residential rate (or rates if both types of rate are to apply under the by-law) set out in the by-law in effect on August 31, 2018 that applied to the area in which the proposed by-law would impose charges.

2. Sections 9 and 10 of the Regulation are revoked and the following substituted:

RÈGLEMENT DE L'ONTARIO 438/18

pris en vertu de la

LOI SUR L'ÉDUCATION

pris le 12 octobre 2018

déposé le 12 octobre 2018

publié sur le site Lois-en-ligne le 12 octobre 2018

imprimé dans la *Gazette de l'Ontario* le 27 octobre 2018

modifiant le Règl. de l'Ont. 20/98

(REDEVANCES D'AMÉNAGEMENT SCOLAIRES - DISPOSITIONS GÉNÉRALES)

1. L'article 7 du Règlement de l'Ontario 20/98 est abrogé et remplacé par ce qui suit :**CALCUL DES REDEVANCES D'AMÉNAGEMENT SCOLAIRES**

7. Avant d'adopter un règlement de redevances d'aménagement scolaires, le conseil fait ce qui suit aux fins du calcul des redevances :

1. Le conseil estime le nombre de nouveaux logements situés dans le secteur où doivent être imposées les redevances, pour chacune des années, jusqu'à un maximum de 15, selon le nombre de son choix, qui suivent le jour où il a l'intention de faire entrer le règlement en vigueur. Cette estimation ne porte que sur les nouveaux logements à l'égard desquels des redevances d'aménagement scolaires peuvent être imposées.
2. Le conseil définit les différentes sortes de nouveaux logements et estime, pour chaque sorte, le nombre moyen par nouveau logement des nouveaux élèves qui fréquenteront ses écoles.
3. Pour chacune des années visées à la disposition 1, le conseil estime le nombre total de nouveaux élèves en fonction du nombre estimatif de nouveaux logements et du nombre moyen estimatif de nouveaux élèves par nouveau logement et soustrait de ce nombre le nombre existant de places qui, à son avis, peuvent raisonnablement accueillir ces nouveaux élèves.
4. Le conseil estime les dépenses immobilières nettes à fin scolaire liées aux emplacements scolaires qui sont nécessaires pour offrir des places au nombre de nouveaux élèves estimé en application de la disposition 3.
5. Le conseil estime le solde du compte des redevances d'aménagement scolaires éventuel lié au secteur où doivent être imposées les redevances. L'estimation porte sur le solde tel qu'il existe immédiatement avant le jour où le conseil a l'intention de faire entrer le règlement en vigueur.
6. Le conseil redresse les dépenses immobilières nettes à fin scolaire en fonction du solde estimatif éventuel visé à la disposition 5. Si le solde est positif, il est soustrait des dépenses. S'il est négatif, il est réputé positif et il est ajouté aux dépenses.
7. Les dépenses immobilières nettes à fin scolaire redressées au besoin en application de la disposition 6 constituent les dépenses immobilières nettes à fin scolaire liées à la croissance.
8. Le conseil fixe le pourcentage des dépenses immobilières nettes à fin scolaire liées à la croissance qui doit être financé par des redevances imposées sur un aménagement résidentiel et le pourcentage éventuel qui doit être financé par des redevances imposées sur un aménagement non résidentiel. Le pourcentage qui doit être financé par des redevances imposées sur un aménagement non résidentiel ne doit pas être supérieur à 40 %.
9. Le conseil fixe les redevances imposées sur un aménagement résidentiel sous réserve de ce qui suit :
 - i. Les redevances sont exprimées selon un taux par logement.
 - ii. Le taux est le même dans tout le secteur où les redevances doivent être imposées en application du règlement.
 - iii. Le taux ne dépasse pas le taux maximal, lequel est fixé en prenant le moindre des taux suivants :
 - A. le taux dont l'application au cours de la période visée à la disposition 1 à l'aménagement résidentiel estimatif situé dans le secteur auquel le règlement s'appliquerait et sur lequel des redevances peuvent être imposées, ne dépasserait pas le pourcentage des dépenses immobilières nettes à fin scolaire liées à la croissance prévues qui doit être financé par des redevances imposées sur un aménagement résidentiel,
 - B. le taux résidentiel énoncé dans le règlement en vigueur le 31 août 2018 qui s'appliquait au secteur où le règlement proposé imposerait des redevances.
10. Malgré la disposition 9, s'il a l'intention d'imposer des redevances différentes sur différentes sortes d'aménagements résidentiels, le conseil fixe :

- i. le pourcentage des dépenses immobilières nettes à fin scolaire liées à la croissance qui doit être financé par des redevances imposées sur un aménagement résidentiel qui doit lui-même être financé en fonction de chaque sorte d'aménagement résidentiel,
 - ii. les redevances imposées sur chaque sorte d'aménagement résidentiel, sous réserve des règles énoncées aux sous-dispositions 9 i, ii et iii.
11. Le conseil fixe les redevances qui doivent être imposées sur un aménagement non résidentiel sous réserve de ce qui suit :
- i. Les redevances sont exprimées selon l'un ou l'autre des taux suivants, au choix du conseil :
 - A. Un taux à appliquer à la SPHOB fixée par le conseil à l'égard de l'aménagement.
 - B. Un taux à appliquer à la valeur déclarée de l'aménagement.
 - ii. Le conseil peut choisir une sorte de taux pour certaines parties du secteur où des redevances doivent être imposées et l'autre sorte pour les autres parties de ce secteur.
 - iii. Le conseil ne peut choisir d'appliquer les deux sortes de taux dans une municipalité.
 - iv. Si le règlement ne prévoit l'application que d'une seule sorte de taux, ce taux est le même dans tout le secteur où des redevances doivent être imposées en application du règlement.
 - v. Si le règlement prévoit l'application des deux sortes de taux, chacun de ces taux est le même dans tout le secteur auquel il s'applique.
 - vi. Le ou, si le règlement prévoit l'application des deux sortes de taux, les taux sont fixés de façon à ne pas dépasser le taux maximal, lequel est fixé en prenant le moindre des taux suivants :
 - A. le ou, si le règlement prévoit l'application des deux sortes de taux, les taux dont l'application, au cours de la période visée à la disposition 1, à l'aménagement non résidentiel estimatif situé dans le secteur auquel le règlement s'appliquerait et sur lequel des redevances peuvent être imposées, ne dépasseraient pas le pourcentage des dépenses immobilières nettes à fin scolaire liées à la croissance prévues qui doit être financé par des redevances imposées sur un aménagement non résidentiel,
 - B. le ou, si le règlement prévoit l'application des deux sortes de taux, les taux non résidentiels énoncés dans le règlement en vigueur le 31 août 2018 qui s'appliquaient au secteur où le règlement proposé imposerait des redevances.

2. Les articles 9 et 10 du Règlement sont abrogés et remplacés par ce qui suit :

 - i. le lieu où se trouve l'emplacement,
 - ii. la superficie de l'emplacement,
 - iii. l'estimation des dépenses immobilières à fin scolaire liées à l'emplacement,
 - iv. le nombre de places que fournira l'école qui doit être construite sur l'emplacement, selon l'estimation du conseil, et le nombre de ces places qui serviront à accueillir le nombre de nouveaux élèves estimé en application de la disposition 3 de l'article 7, selon l'estimation du conseil.
