2020 Automobile Insurance Indexation Amounts AU0129DEC

Purpose

This guidance publishes amounts related to auto insurance claims that are subject to indexation under the Insurance Act (“the Act”) and its regulations.

Scope

This guidance affects the auto insurance claims that are subject to indexation under the Act and its regulations.

Summary of Decision

The 2020 indexation percentage is 1.9%. This indexation percentage applies to:

- monetary thresholds and deductibles for determining non-pecuniary tort awards under the Insurance Act and O. Reg. 461/96, (Court Proceedings for Automobile Accidents that Occur on or after November 1, 1996)
- amounts that are required to be indexed pursuant to the:
 - Statutory Accident Benefits Schedule – Effective September 1, 2010 (“2010 SABS”);
 - Statutory Accident Benefits Schedule – Accidents on or After November 1, 1996 (“1996 SABS”); and,
 - Statutory Accident Benefits Schedule – Accidents after December 31, 1993 and before November 1, 1996 (“1993 SABS”).

Specific revised amounts based on the indexation percentage are set out in Appendix 1 (monetary thresholds and deductibles for determining non-pecuniary tort awards) and Appendix 2 (1993 SABS) to this decision.

Commentary

Legal Requirements for Publishing Amounts

Subsection 267.5 (8.5) of the Act requires the Chief Executive Officer of the Financial Services Regulatory Authority (“CEO”) to publish revised monetary thresholds for non-pecuniary tort awards in the Ontario Gazette before the 1st day of January of each year. Although there is no specified requirement to publish the revised deductibles, FSRA will also publish the revised deductibles along with the monetary thresholds as a service to stakeholders.

Subsections 268.1 (1) and 268.1 (3) of the Act require the CEO to publish annually in the Ontario Gazette the indexation percentage and revised monetary amounts for the purposes of the 1993 SABS, before the 1st day of January of each year after 1994.

Legal Requirements for Determining Indexation Percentage

Subsection 268.1 (2) of the Act determines the indexation percentage as the percentage change in the Consumer Price Index for Canada (All Items), as published by Statistics Canada under the authority of the Statistics Act (Canada), for the period from September in the year immediately preceding the previous year to September of the previous year.

Additional Information Provided

There is no legislative requirement to publish or post the indexation percentage for the 2010 SABS and 1996 SABS. Historically, the regulator has provided this information as a service to stakeholders and this ensures that all parties are using the appropriate percentage when calculating benefits that are eligible for indexation.

Effective Date and Future Review

This interpretation guidance becomes effective on January 1, 2020 and is reviewed annually.

Montants liés aux sinistres d'assurance-automobile assujettis à l'indexation de 2020 AU0129DEC

Objet

La présente directive présente les montants liés aux sinistres d'assurance-automobile assujettis à l'indexation en vertu de la *Loi sur les assurances* (la «Loi») et des règlements connexes.

Portée

La présente directive concerne les sinistres d'assurance-automobile assujettis à l'indexation en vertu de la Loi et des règlements connexes.

Résumé de la décision

Le taux d'indexation de 2020 est 1,9 %. Ce taux s'applique :

- aux seuils monétaires et aux franchises applicables aux dommages-intérêts non pécuniaires appliqués en 2019 en vertu de la *Loi sur les assurances* et du Règl. de l'Ont. 461/96, Instances judiciaires portant sur des accidents d'automobile survenus le 1^{er} novembre 1996 ou après cette date;
- aux montants qui doivent être indexés conformément aux textes suivants :
 - Annexe sur les indemnités d'accident légales – En vigueur le 1^{er} septembre 2010 («AIAL de 2010»);
 - Annexe sur les indemnités d'accident légales – Accidents survenus le 1^{er} novembre 1996 ou après ce jour («AIAL de 1996»);
 - Annexe sur les indemnités d'accident légales – Accidents survenus après le 31 décembre 1993 mais avant le 1^{er} novembre 1996 («AIAL de 1993»).

Les montants révisés précis calculés à partir du taux d'indexation sont indiqués à l'annexe 1 (Seuils monétaires et franchises révisés applicables aux dommages-intérêts non pécuniaires) et à l'annexe 2 (AIAL de 1993) de la présente décision.

Commentaires

Exigences juridiques justifiant la publication des montants

Le paragraphe 267.5 (8.5) de la Loi exige du directeur général de l'Autorité ontarienne de réglementation des services financiers qu'il fasse publier les seuils monétaires révisés applicables aux dommages-intérêts non pécuniaires dans la Gazette de l'Ontario avant le 1^{er} janvier chaque année. Même si

aucune exigence n'impose spécifiquement de publier les franchises révisées, l'ARSF publiera également les franchises révisées parallèlement aux seuils monétaires à titre de service aux intervenants.

Les paragraphes 268.1 (1) et 268.1 (3) de la Loi exigent du directeur général qu'il fasse publier chaque année dans la Gazette de l'Ontario le taux d'indexation et les montants révisés aux fins de l'AIAL de 1993, avant le 1^{er} janvier chaque année après 1994.

Exigences juridiques justifiant la détermination du taux d'indexation

Le paragraphe 268.1 (2) de la Loi détermine le taux d'indexation comme le taux de variation de l'Indice des prix à la consommation pour le Canada (ensemble des composantes) que publie Statistique Canada en vertu de la *Loi sur la statistique* (Canada) pour la période allant du mois de septembre de l'année antérieure à l'année précédente au mois de septembre de l'année précédente.

Autres renseignements fournis

Il n'existe aucune exigence législative visant la publication du taux d'indexation pour l'AIAL de 2010 ou l'AIAL de 1996. Historiquement, l'organisme de réglementation fournit cette information à titre de service aux intervenants, ce qui permet à toutes les parties d'utiliser le taux approprié pour calculer les indemnités assujetties à l'indexation.

Date d'entrée en vigueur et examen futur

Cette orientation de nature interprétative prend effet le 1^{er} janvier 2020 et sera examinée chaque année.

À propos de l'ARSF

L'Autorité ontarienne de réglementation des services financiers (ARSF) est un organisme de réglementation indépendant créé pour améliorer les mesures de protection des consommateurs et des bénéficiaires de régimes de retraite en Ontario.

L'ARSF a été établie pour remplacer la Commission des services financiers de l'Ontario (CSFO) et la Société ontarienne d'assurance-dépôts (SOAD). L'organisme est souple, autofinancé et conçu pour réagir rapidement à un contexte commercial et de consommation en constante évolution.

À propos de la présente orientation

Le présent document est conforme au Cadre de lignes directrices de l'ARSF. Les décisions réglementaires décrites dans l'orientation en la matière sont des décisions prises par l'ARSF en fonction de son fondement juridique, et non des réponses informelles à des demandes de renseignements précises.
