Ontario Highway Transport Board

Periodically, temporary applications are filed with the Board. Details of these applications can be made available at anytime to any interested parties by calling (416) 326-6732.

The following are applications for extra-provincial and public vehicle operating licenses filed under the Motor Vehicle Transport Act, 1987, and the Public Vehicles Act. All information pertaining to the applicant i.e. business plan, supporting evidence, etc. is on file at the Board and is available upon request.

Any interested person who has an economic interest in the outcome of these applications may serve and file an objection within 29 days of this publication. The objector shall:

1. complete a Notice of Objection Form,
2. serve the applicant with the objection,
3. file a copy of the objection and provide proof of service of the objection on the applicant with the Board,
4. pay the appropriate fee.

Serving and filing an objection may be by hand delivery, mail, courier or facsimile. Serving means the date received by a party and filing means the date received by the Board.

LES LIBELLÉS DES DEMANDES PUBLIÉES CI-DESSOUS SONT AUSSI DISPONIBLES EN FRANÇAIS SUR DEMANDE.

Pour obtenir de l'information en français, veuillez communiquer avec la Commission des transports routiers au 416-326-6732.

Ontario Energy Board

Amendments to the Distribution System Code

Note: The text of the amendments is set out in italics below, for ease of identification only.

1. Section 1.2 of the Distribution System Code is amended as follows:
 - a. The following definition is added immediately after the definition of “consumer”:

“CSP” means the centralized service provider engaged by the Board to administer the OESP on the Board’s behalf;
 - b. The definition of “eligible low-income customer” is replaced with the following:

“eligible low-income customer” means:

 - (a) a residential electricity consumer who has been approved by the CSP for the OESP; or*
 - (b) a residential electricity consumer who has been approved by a LEAP Intake Agency for Emergency Financial Assistance;*
 - c. The definition of “Emergency Financial Assistance” is replaced with the following:

“Emergency Financial Assistance” means emergency financial assistance under LEAP;
 - d. The following definitions are added immediately after the definition of “large embedded generation facility”:

“LEAP” means the Low-Income Energy Assistance Program established by the Board;

“LEAP Intake Agency” means a social service agency, municipality or government agency that assesses a residential electricity consumer’s eligibility for Emergency Financial Assistance;
 - e. The following definition is added immediately after the definition of “MOST meter”:

“OESP” means the Ontario Electricity Support Program established pursuant to section 79.2 of the Ontario Energy Board Act;
 - f. The definition of “Social Service Agency or Government Agency” is deleted.
2. Section 1.3 of the Distribution System Code is amended as follows:
 - a. The section heading, “Interpretations”, is replaced with “Interpretation”.
 - b. Section 1.3.2 is replaced with the following:

1.3.2 For the purposes of the definition of “eligible low-income customer” in section 1.2 of this Code, a residential electricity customer becomes an eligible low-income customer on the day the customer is approved for Emergency Financial Assistance or the OESP, and remains an eligible low-income customer until the later of the following days: (a) the day that is two years from the day the customer is approved for Emergency Financial Assistance, and (b) the day that the customer stops receiving assistance under the OESP.
 - c. Section 1.3.3 is deleted.
3. Section 1.4 of the Distribution System Code is amended by deleting the comma and “1998” after “the Ontario Energy Board Act”.
4. Paragraph 2.4.11(c) of the Distribution System Code is replaced with the following:

(c) an eligible low-income customer has requested a waiver under section 2.4.11.1.
5. Section 2.4.11.1 of the Distribution System Code is amended by deleting the phrase “provided that such a customer contacts the distributor and thereafter confirms his or her low-income eligibility” and replacing it with “upon request”.
6. Throughout the Distribution System Code (namely sections 2.4.11.1, 2.4.11.2, 2.9.2, 4.2.2.6 and 4.2.2.7), the term “Social Service Agency or Government Agency” is replaced with “LEAP Intake Agency”.
7. Paragraphs 4.2.2(k1)(ii) and 4.2.2.4(f1)(ii) are amended by replacing the phrase “a Board-approved Emergency Financial Assistance Program administered through a Social Service Agency or Government Agency” with “Emergency Financial Assistance”.
8. The following chapter 9 is added to the Distribution System Code:
9. **OESP**

9.1 Eligibility for OESP Rate Assistance

9.1.1 In this section 9.1:

“Aboriginal person” includes a person who is a First Nations person, a Métis person or an Inuit person;

“account-holder” means a consumer who has an account with a distributor that falls within a residential-rate classification as specified in a rate order made by the Board under section 78 of the Act, and who lives at the service address to which the account relates for at least six months in a year;

“electricity-intensive medical device” means an oxygen concentrator, a mechanical ventilator, or such other device as may be specified by the Board;

“household” means the account-holder and any other people living at the account-holder’s service address for at least six months in a year, including people other than the account-holder’s spouse, children or other relatives;

“household income” means the combined annual after-tax income of all members of a household aged 16 or over; and

9.1.2 For the purpose of subsection 79.2(4) of the Act, the following classes of consumers are rate-assisted consumers and are eligible for OESP rate assistance:

 - (c) account-holders with a household income and household size described under Class B who also meet any of the following conditions:
 - i. the dwelling to which the account relates is heated primarily by electricity;
 - ii. the account-holder or any member of the account-holder's household is an Aboriginal person; or
 - iii. the account-holder or any member of the account-holder's household regularly uses, for medical purposes, an electricity-intensive medical device at the dwelling to which the account relates.
7. Class G comprises account-holders with a household income and household size described under Class C who also meet any of the following conditions:
 - (a) the dwelling to which the account relates is heated primarily by electricity;
 - (b) the account-holder or any member of the account-holder's household is an Aboriginal person; or
 - (c) the account-holder or any member of the account-holder's household regularly uses, for medical purposes, an electricity-intensive medical device at the dwelling to which the account relates.
8. Class H comprises account-holders with a household income and household size described under Class D who also meet any of the following conditions:
 - (a) the dwelling to which the account relates is heated primarily by electricity;
 - (b) the account-holder or any member of the account-holder's household is an Aboriginal person ; or
 - (c) the account-holder or any member of the account-holder's household regularly uses, for medical purposes, an electricity-intensive medical device at the dwelling to which the account relates.

9. *Class I comprises account-holders with a household income and household size described under paragraphs (a) or (b) of Class F who also meet any of the following conditions:*

- (a) *the dwelling to which the account relates is heated primarily by electricity;*
- (b) *the account-holder or any member of the account-holder's household is an Aboriginal person; or*
- (c) *the account-holder or any member of the account-holder's household regularly uses, for medical purposes, an electricity-intensive medical device at the dwelling to which the account relates.*

9.1.3 *In the event of a conflict, an order of the Board under subsection 79.2(4) of the Act prevails over this section 9.1 to the extent of the conflict.*

9.1.4 *The Board may from time to time, without a hearing, revise the income parameters of the classes described in section 9.1.2, having regard to any changes to the Low-Income Measures published by Statistics Canada, except that no such revision shall be effective before January 1, 2017.*

9.2 Application of OESP Rate Assistance to the Bill

9.2.1 *Where a distributor receives notice from the CSP that a consumer is eligible for rate assistance under the OESP, the distributor shall as soon as reasonably practicable apply the rate assistance specified in the notice to the consumer's bill.*

9.2.2 *The distributor shall apply the OESP rate assistance on the consumer's bill for the eligibility period specified in the notice, unless a different eligibility period is specified by the CSP any time thereafter or the distributor issues a final bill to the consumer before the eligibility period has expired.*

9.2.3 *Where a distributor receives notice from the CSP that a consumer's eligibility for rate assistance under the OESP has been renewed or canceled, or that the amount of rate assistance for which the consumer is eligible has changed, the distributor shall implement the necessary changes to the consumer's bill as soon as reasonably practicable.*

9.2.4 *Where a distributor issues a bill covering less than a full billing period, the distributor may prorate the amount of the OESP rate assistance.*

9.2.5 *Where a distributor disconnects and issues a final bill to a consumer who is receiving OESP rate assistance and within two billing periods reconnects the consumer at the same premises, the distributor shall upon the reconnection apply the OESP rate assistance to the consumer's bill for the remainder of the eligibility period under section 9.2.2, if any.*

9.2.6 *Where the OESP rate assistance applied to a consumer's bill exceeds the amount owing on the bill, the distributor shall carry forward the credit to one or more subsequent bills, however the distributor shall not issue a refund of the credit to the consumer at any time including at the time the account is closed or transferred.*

9.3 Billing Corrections

9.3.1 *Where a distributor receives notice from the CSP of a correction to the amount of rate assistance that was specified in a notice under section 9.2.1, or where the distributor discovers that it has mistakenly applied an amount of rate assistance to a consumer's bill other than the amount specified in the notice under section 9.2.1, the distributor shall apply the corrected amount as soon as reasonably practicable.*

9.3.2 *Where the corrected amount is greater than the amount that was specified in the notice under section 9.2.1, the distributor shall apply any rate assistance owing as a credit on the consumer's account and identify the amount credited as a billing adjustment on the bill.*

9.3.3 *Where the corrected amount is less than the amount that was specified in the notice under section 9.2.1, the distributor shall not be entitled to recoup any rate assistance that the consumer has already received, and for greater certainty the distributor shall not collect any such rate assistance as under-billed amounts under sections 7.7.4 and 7.7.4.1 of the Retail Settlement Code, without the approval of the Board.*

9.4 Technical and Administrative Requirements of the CSP

9.4.1 *A distributor shall adhere to any technical and administrative requirements set out in a procedure or guideline issued by the CSP, provided that no such procedure or guideline is effective until it is approved by the Board.*

9.5 Communications with Consumers

9.5.1 *A distributor shall notify a consumer in writing that the consumer's eligibility period for OESP rate assistance is expiring at least 60 days before the period expires, and shall include in the notice information about applying for a renewal of the eligibility period. If the distributor sends the notice by mail, the distributor shall not include the notice in the same envelope as a bill or any other documentation emanating from the distributor.*

9.5.2 *A distributor shall post on its website a link to the Board's OESP application portal.*

9.6 Settlement

9.6.1 *For each calendar month in which a distributor applies any OESP rate assistance on consumer bills or collects any OESP-related charges, the distributor shall settle with the IESO within such time limits as the IESO specifies.*

9.7 Reporting Requirements for Embedded Distributors

9.7.1 *For each calendar month, beginning in 2016, an embedded distributor shall provide its host distributor, no later than the second business day of the following month, with the following information:*

- (a) *for each OESP rate class, the total number of the embedded distributor's customers that received OESP rate assistance; and*
- (b) *for each OESP rate class, the total amount of rate assistance received by the embedded distributor's customers.*

Amendments to the Unit Sub-Metering Code

Note: The text of the amendments is set out in italics below, for ease of identification only.

1. Section 1.2.1 of the Unit Sub-Metering Code is amended as follows:

- a. The following definition is added immediately after the definition of “consumer”:
“CSP” means the centralized service provider engaged by the Board to administer the OESP on the Board’s behalf;
- b. The definition of “eligible low-income consumer” is deleted and replaced with the following definition of “eligible low-income customer”:
“eligible low-income customer” has the same meaning as in the Distribution System Code.
- c. The definition of “Emergency Financial Assistance” is replaced with the following:
“Emergency Financial Assistance” means emergency financial assistance under LEAP;

- d. The following definitions are added immediately after the definition of “interval meter”:

“LEAP” means the Low-Income Energy Assistance Program established by the Board;

“LEAP Intake Agency” means a social service agency, municipality or government agency that assesses a residential electricity consumer’s eligibility for Emergency Financial Assistance;
 - e. The following definition is added immediately after the definition of “metering services”:

“OESP” means the Ontario Electricity Support Program established pursuant to section 79.2 of the Ontario Energy Board Act;
 - f. The definition of “Social Service Agency or Government Agency” is deleted.
2. Throughout the Unit Sub-Metering Code (namely sections 4.1.5A, 4.1.5B, 4.2.5H, 4.2.5I and 4.8.3), the term “Social Service Agency or Government Agency” is replaced with *“LEAP Intake Agency”*.
 3. Throughout the Unit Sub-Metering Code (namely sections 4.1.5A, 4.1.5B, 4.1.14B, 4.1.14C, 4.2.5A, 4.2.5G, 4.6.5, 4.6.6, 4.6.14, 4.6.17 and 4.9.6) the term “eligible low-income consumer” (or, in the case of 4.1.5B, “low-income consumer”) is replaced with *“eligible low-income customer”*.
 4. Section 1.3 of the Unit Sub-Metering Code is amended as follows:
 - a. The section heading, “Interpretations”, is replaced with “Interpretation”.
 - b. Sections 1.3.2 and 1.3.3 are deleted.
 5. Section 3.4 is amended as follows:
 - a. The following is added to the end of section 3.4.2, after “consumers”:

and the continuous application of OESP rate assistance to the bills of eligible consumers.
 - b. The following is added to section 3.4.3, after “consumption”:

but not including consumer information regarding the OESP,
 - c. The following is added to the end of section 3.4.3, after “consumers”:

Where the departing unit sub-meter provider is advised by the exempt distributor of the identity of the new unit sub-meter provider, the departing unit sub-meter provider shall, prior to the termination of the contract or as soon as reasonably practicable thereafter, ensure that consumer information regarding the OESP is properly transferred to the new unit sub-meter provider to allow for the continuous application of OESP rate assistance to the bills of eligible consumers, but in no case shall either unit sub-meter provider transfer such information to the exempt distributor.
 6. Section 4.1.5A of the Unit Sub-Metering Code is amended by deleting the phrase “an eligible low-income consumer provided that such a consumer contacts the unit sub-meter provider and thereafter confirms his or her low-income eligibility” and replacing it with *“eligible low-income customers upon request.”*
 7. Section 4.1.5C of the Unit Sub-Metering Code is replaced with the following:

4.1.5C A unit sub-meter provider shall not collect a security deposit from an eligible low-income customer who has requested a waiver under section 4.1.5A.
 8. Paragraphs 4.2.5A(j)(ii) and 4.2.2.5G(f)(ii) are amended by replacing the phrase “a Board-approved Emergency Financial Assistance Program administered through a Social Service Agency or Government Agency” with *“Emergency Financial Assistance”*.
 9. Section 4.2.8 of the Unit Sub-Metering Code is amended by adding the word “a” between “from” and “consumer”.
 10. The following chapter 5 is added to the Unit Sub-Metering Code:

5 OESP

5.1 Eligibility for OESP Rate Assistance

5.1.1 In this section 5.1:

“Aboriginal person” includes a person who is a First Nations person, a Métis person or an Inuit person;

 - (c) *the account-holder or any member of the account-holder's household regularly uses, for medical purposes, an electricity-intensive medical device at the dwelling to which the account relates.*

5.1.3 In the event of a conflict, an order of the Board under subsection 79.2(4) of the Act prevails over this section 5.1 to the extent of the conflict.

5.1.4 The Board may from time to time, without a hearing, revise the income parameters of the classes described in section 5.1.2, having regard to any changes to the Low-Income Measures published by Statistics Canada, except that no such revision shall be effective before January 1, 2017.

5.2 Amount of OESP Rate Assistance

5.2.1 Beginning January 1, 2016, consumers in the classes described in section 5.1 who have been approved by the CSP for OESP rate assistance are eligible for the following amounts of assistance:

1. *Consumers in Class A are eligible for the same amount as is provided for by the Board for consumers described in Class A under section 9.1 of the Distribution System Code;*
2. *Consumers in Class B are eligible for the same amount as is provided for by the Board for consumers described in Class B under section 9.1 of the Distribution System Code;*
3. *Consumers in Class C are eligible for the same amount as is provided for by the Board for consumers described in Class C under section 9.1 of the Distribution System Code;*
4. *Consumers in Class D are eligible for the same amount as is provided for by the Board for consumers described in Class D under section 9.1 of the Distribution System Code;*
5. *Consumers in Class E are eligible for the same amount as is provided for by the Board for consumers described in Class E under section 9.1 of the Distribution System Code;*
6. *Consumers in Class F are eligible for the same amount as is provided for by the Board for consumers described in Class F under section 9.1 of the Distribution System Code;*
7. *Consumers in Class G are eligible for the same amount as is provided for by the Board for consumers described in Class G under section 9.1 of the Distribution System Code;*
8. *Consumers in Class H are eligible for the same amount as is provided for by the Board for consumers described in Class H under section 9.1 of the Distribution System Code; and*
9. *Consumers in Class I are eligible for the same amount as is provided for by the Board for consumers described in Class I under section 9.1 of the Distribution System Code.*

5.3 Application of OESP Rate Assistance to the Bill

- 5.3.1 *Where a unit sub-meter provider receives notice from the CSP that a consumer is eligible for rate assistance under the OESP, the unit sub-meter provider shall as soon as reasonably practicable apply the rate assistance specified in the notice to the consumer's bill.*
- 5.3.2 *The unit sub-meter provider shall apply the OESP rate assistance on the consumer's bill for the eligibility period specified in the notice, unless a different eligibility period is specified by the CSP any time thereafter or the unit sub-meter provider issues a final bill to the consumer before the eligibility period has expired.*
- 5.3.3 *Where a unit sub-meter provider receives notice from the CSP that a consumer's eligibility for rate assistance under the OESP has been renewed or canceled, or that the amount of rate assistance for which the consumer is eligible has changed, the unit sub-meter provider shall implement the necessary changes to the consumer's bill as soon as reasonably practicable.*
- 5.3.4 *Where a unit sub-meter provider issues a bill covering less than a full billing period, the unit sub-meter provider may prorate the amount of the OESP rate assistance.*
- 5.3.5 *Where a unit sub-meter provider disconnects and issues a final bill to a consumer who is receiving OESP rate assistance and within two billing period reconnects the consumer at the same premises, the unit sub-meter provider shall upon the reconnection apply the OESP rate assistance to the consumer's bill for the remainder of the eligibility period under section 5.3.2, if any.*
- 5.3.6 *Where the OESP rate assistance applied to a consumer's bill exceeds the amount owing on the bill, the unit sub-meter provider shall carry forward the credit to one or more subsequent bills, however the unit sub-meter provider shall not issue a refund of the credit to the consumer at any time including at the time the account is closed or transferred.*

5.4 Billing Corrections

- 5.4.1 *Where a unit sub-meter provider receives notice from the CSP of a correction to the amount of rate assistance that was specified in a notice under section 5.3.1, or where the unit sub-meter provider discovers that it has mistakenly applied an amount of rate assistance to a consumer's bill other than the amount specified in the notice under section 5.3.1, the unit sub-meter provider shall apply the corrected amount as soon as reasonably practicable.*
- 5.4.2 *Where the corrected amount is greater than the amount that was specified in the notice under section 5.3.1, the unit sub-meter provider shall apply any rate assistance owing as a credit on the consumer's account and identify the amount credited as a billing adjustment on the bill.*
- 5.4.3 *Where the corrected amount is less than the amount that was specified in the notice under section 5.3.1, the unit sub-meter provider shall not be entitled to recoup any rate assistance that the consumer has already received, and for greater certainty the unit sub-meter provider shall not collect any such rate assistance as under-billed amounts under sections 4.9.6 and 4.9.7, without the approval of the Board.*

5.5 Technical and Administrative Requirements of the CSP

- 5.5.1 *A unit sub-meter provider shall adhere to any technical and administrative requirements set out in a procedure or guideline issued by the CSP, provided that no such procedure or guideline is effective until it is approved by the Board.*

5.6 Communications with Consumers

- 5.6.1 *A unit sub-meter provider shall notify a consumer in writing that the consumer's eligibility period for OESP rate assistance is expiring at least 60 days before the period expires, and shall include in the notice information about applying for a renewal of the eligibility period. If the unit sub-meter provider sends the notice by mail, the unit sub-meter provider shall not include the notice in the same envelope as a bill or any other documentation emanating from the unit sub-meter provider.*
- 5.6.2 *A unit sub-meter provider shall post on its website a link to the Board's OESP application portal.*

5.7 Settlement

- 5.7.1 *For each calendar month in which a unit sub-meter provider applies any OESP rate assistance on consumer bills or collects any OESP-related charges, the unit sub-meter provider shall settle with the IESO within such time limits as the IESO specifies.*

PILOT PROJECT — AUTOMATED VEHICLES

INTERPRETATION AND APPLICATION

Interpretation

1. (1) In this Regulation,

“approval” means approval to test automated vehicles issued under section 9;

“automated driving system” means a system that performs dynamic driving tasks to operate a vehicle with limited or no need for any dynamic driving task to be performed by a human driver;

“automated vehicle” means a motor vehicle or a street car, excluding a motorcycle or motor-assisted bicycle, with an automated driving system that operates at driving automation Level 3, 4 or 5;

“drive”, in relation to an automated vehicle, includes driving or causing the operation of the automated vehicle, with or without the automated driving system being engaged;

“dynamic driving task” includes a task required for the operational aspect of driving, such as steering, braking, accelerating and monitoring the vehicle and roadway, and a task required for the tactical aspect of driving, such as responding to events and determining when to change lanes, turn or use signals, but does not include a task required for the strategic aspect of driving, such as determining destinations;

“Level” means an automated driving system’s level of driving automation for on-road vehicles, as defined in SAE Standard J3016;

“owner”, in the case of a commercial motor vehicle, includes the operator, within the meaning of subsection 16 (1) of the Act;

“Registrar” means the Registrar of Motor Vehicles;

“SAE Standard J3016” means SAE International Standard J3016: Taxonomy and Definitions for Terms Related to On-Road Motor Vehicle Automated Driving Systems, issued on January 16, 2014 and available on SAE International’s website.

(2) The Levels of driving automation are the following:

1. Level 0 – no automation.
2. Level 1 – driver assistance.
3. Level 2 – partial automation.
4. Level 3 – conditional automation.
5. Level 4 – high automation.
6. Level 5 – full automation.

(3) A person seated in the driver’s seat of an automated vehicle is considered to be driving the automated vehicle, and to be the driver of the vehicle, with or without the automated driving system being engaged.

Application

2. (1) This Regulation applies to an automated vehicle, with or without the automated driving system being engaged.
- (2) This Regulation does not apply to a motor vehicle with an automated driving system that operates at driving automation Level 0, 1 or 2.

PILOT PROJECT**Pilot project established**

3. (1) A pilot project to evaluate the use of automated vehicles on highways is established.
- (2) The Minister shall conduct and complete an evaluation of the use of automated vehicles on highways under the pilot project before the tenth anniversary of the day this Regulation comes into force.
- (3) The Minister may from time to time during the course of the pilot project conduct interim evaluations of the use of automated vehicles with an automated driving system that operates at driving automation Level 3 or 4 to determine if there is a need to continue to evaluate such vehicles under the pilot project.

PROHIBITION AND PERMITTED USE**Prohibition**

4. No person shall drive or permit the operation of an automated vehicle on a highway, except as permitted by this Regulation.

Permitted use of automated vehicles

5. A person may drive or permit the operation of an automated vehicle on a highway if,
- (a) the owner of the vehicle has been approved under section 9 to test automated vehicles;
 - (b) the vehicle meets the requirements of sections 11 and 12;
 - (c) the vehicle is in good working order;
 - (d) the driver holds any of the following that authorizes him or her to drive the vehicle:
 - (i) A valid Class A, B, C, D, E, F or G driver's licence.
 - (ii) A valid driver's licence issued by another jurisdiction.
 - (iii) A valid International Driver's Permit;
 - (e) the driver complies with section 13; and
 - (f) the vehicle is being driven only for testing purposes under the pilot project established by this Regulation.

Application of Act

6. The Act applies to the operation of an automated vehicle, to a person who drives an automated vehicle and to the owner of an automated vehicle.

APPROVAL TO TEST AUTOMATED VEHICLES**Who may apply for approval**

7. (1) The owner of one or more automated vehicles, if the requirements of subsection (2) or (3) are satisfied, may apply to the Registrar for approval to test the vehicles under the pilot project.
- (2) For vehicles that were originally manufactured as automated vehicles,
- (a) the owner must also be the original manufacturer of the vehicles; and
 - (b) the owner must be a company, within the meaning of the *Motor Vehicle Safety Act* (Canada), that,
 - (i) is authorized under that Act to apply a national safety mark to the vehicles, or
 - (ii) is a foreign manufacturer registered under that Act.
- (3) For vehicles that were not originally manufactured as automated vehicles but were converted into automated vehicles,
- (a) the owner must also be the person that converted the vehicles into automated vehicles;
 - (b) the owner must be an original manufacturer of automated vehicles or a technology company, an academic or research institution or a manufacturer of parts, systems, equipment or components for automated driving systems; and
 - (c) the Registrar must be satisfied that the owner has the expertise to properly convert vehicles into automated vehicles.

Required information and documents

8. (1) An application for approval must include the following information and documents:

1. The name and business address of the applicant.
2. The name, business address, business telephone number, business fax number and business e-mail address of the applicant's contact person for the purposes of this Regulation.
3. Proof satisfactory to the Registrar of the applicant's ownership of the vehicles.
4. The total number of vehicles of any make, model and class to be tested.
5. Declaration by the applicant that the vehicles are covered by automobile insurance, as defined in subsection 1 (1) of the *Compulsory Automobile Insurance Act*, in respect of any one accident, to the limit of at least \$5,000,000, exclusive of interest and costs, against liability resulting from bodily injury to or the death of one or more persons and loss of or damage to property.
6. Declaration by the applicant that the vehicles,
 - i. comply with the requirements of sections 11 and 12,
 - ii. are in good working order,
 - iii. meet the statutory and regulatory requirements applicable to motor vehicles or street cars, as the case may be, and
 - iv. are capable of being driven safely in Ontario.
7. Declaration that the applicant will conduct the testing of the vehicles safely and in accordance with the law.
8. Any other information relevant to the applicant, the vehicles, the testing or the drivers that the Registrar may request.

(2) If requested to do so by the Registrar, an applicant shall demonstrate that an automated vehicle complies with subparagraph 6 iii or iv of subsection (1).

Approval of application

9. (1) The Registrar may approve an application that meets the requirements of section 11 subject to any conditions that the Registrar may impose, including any condition that the Registrar considers necessary to ensure that the testing will be conducted safely and in accordance with the law.

(2) The Registrar may refuse to approve an application if he or she is not satisfied that the testing will be conducted safely and in accordance with the law.

(3) If the Registrar imposes conditions in an approval, the owner shall comply with the conditions and shall ensure that the testing is conducted in compliance with the conditions.

Revocation of approval

10. (1) The Registrar may revoke an approval if, in his or her opinion,

- (a) false or inaccurate information, or information that was incomplete in a material respect, was provided in the application;
- (b) the person to whom the approval was issued,
 - (i) does not comply with a condition of the approval, or
 - (ii) ceases to meet the requirements set out in section 7;
- (c) the testing of the vehicles has not been conducted,
 - (i) in compliance with this Regulation, or
 - (ii) in compliance with any conditions of the approval; or
- (d) the testing of the vehicles has not been or will not be conducted safely and in accordance with the law.

(2) Notice of the revocation of an approval is sufficiently given if it is given to the owner's contact person referred to in paragraph 2 of subsection 8 (1) by any of the following methods:

1. Personal delivery to the contact person at the latest address for that person provided by the owner.
2. Regular mail addressed to the contact person at the latest address for that person provided by the owner.
3. Fax to the contact person at the latest fax number for that person provided by the owner.
4. E-mail to the contact person at the latest e-mail address for that person provided by the owner.

(3) Unless the contact person establishes that he or she did not, acting in good faith, through absence, accident, illness or other cause beyond the person's control, receive the notice,

- (a) notice given by regular mail is deemed to have been received on the fifth day after it was mailed; and
- (b) notice given by fax or by e-mail is deemed to have been received on the first business day after it was sent.
- (4) The approval is revoked on the day the notice of the revocation is received or deemed to have been received.

AUTOMATED DRIVING SYSTEM

Automated driving system requirements

- 11.** (1) For a vehicle that was originally manufactured as an automated vehicle, its automated driving system,
- (a) must comply with any applicable requirements of the Act and the regulations;
 - (b) must comply with any requirements of the *Motor Vehicle Safety Act* (Canada) that apply to automated driving systems for the vehicle's year of manufacture; and
 - (c) must comply with SAE Standard J3016.
- (2) For a vehicle that was not originally manufactured as an automated vehicle but was converted into an automated vehicle, its automated driving system,
- (a) must comply with any applicable requirements of the Act and the regulations;
 - (b) must not render the vehicle non-compliant in any respect with the *Motor Vehicle Safety Act* (Canada) or the *Motor Vehicle Safety Regulations* made under that Act; and
 - (c) must comply with SAE Standard J3016.

Mechanisms and systems included in automated driving system

12. For every automated vehicle, its automated driving system must be equipped with the following mechanisms and system:

1. A mechanism, easily accessible to the driver, that engages and disengages the automated driving system.
2. A system that,
 - i. safely alerts the driver if a failure of the automated driving system is detected while it is engaged, and
 - ii. does either of the following when an alert is given:
 - A. requires the driver to take over all the dynamic driving tasks required to operate the vehicle, or
 - B. if the driver does not or is unable to take over all the dynamic driving tasks required to operate the vehicle, causes the vehicle to safely move out of traffic and come to a complete stop.
3. A mechanism that allows the driver to take over all the dynamic driving tasks required to operate the vehicle if the automated driving system fails or if the driver disengages the automated driving system.

DRIVER'S DUTIES

Driver's duties

13. (1) The driver of an automated vehicle shall remain at all times in the driver's seat of the vehicle and shall monitor the vehicle's operation.

(2) The driver of an automated vehicle shall carry a copy of the approval in the vehicle.

(3) The driver of an automated vehicle shall present a copy of the approval upon the demand of any police officer or officer appointed for enforcing or carrying out the provisions of the Act.

(4) In the event of a collision or traffic stop, the driver of an automated vehicle shall advise the attending police officer or officer appointed for enforcing or carrying out the provisions of the Act that the vehicle is an automated vehicle and is being tested under the pilot project established by this Regulation.

REPORTS AND RECORDS

Changes in information

14. (1) An owner to whom an approval has been issued shall notify the Registrar of any change in the information provided to the Registrar in the application for approval no later than 10 days after the day the change occurs.

(2) Without limiting the generality of subsection (1), an owner to whom an approval has been issued shall notify the Registrar,

- (a) if a vehicle listed in the original application for approval, identified by its make, model and class, is no longer being tested;
- (b) if a vehicle not listed in the original application for approval, identified by its make, model and class, is being tested; and
- (c) if a vehicle described in clause (b), identified by its make, model and class, is no longer being tested.

Collision reports

15. An owner to whom an approval has been issued shall notify the Registrar of any collision involving an automated vehicle no later than 10 days after the day the collision occurs and shall include the following information respecting the particulars of the collision:

- 1. The vehicles involved, identified by their vehicle identification numbers.
- 2. The persons involved.
- 3. The location of the collision.
- 4. The apparent cause of the collision.
- 5. The details and extent of any personal injury or damage to property caused by the collision.
- 6. Any other relevant information that the Registrar may request.

Records retention

16. (1) An owner to whom an approval has been issued shall retain any record that relates to its use of automated vehicles, including information requested under section 15, until the third anniversary of the day this Regulation is revoked.

(2) The owner shall retain the records at its principal place of business in Ontario, if any, or, if the owner has notified the Registrar that it keeps records at other specified premises in Ontario, at those other premises.

(3) Despite subsection (2), records in electronic form need not be retained at the premises described in that subsection if those records can be retrieved in a usable electronic or paper form promptly upon request.

(4) The owner shall ensure that it maintains the capacity to retrieve its electronic records throughout the retention period described in subsection (1).

Reports to Minister

17. (1) If requested to do so by the Minister, an owner to whom an approval has been issued shall report in writing to the Minister on its use of automated vehicles under the pilot project, or on any aspect of that use that may be specified by the Minister.

(2) If requested to do so by the Minister, the owner shall give the Minister any record referred to in subsection 16 (1) that the Minister may require to evaluate the pilot project.

Amending O. Reg. 288/07

(SOURCE PROTECTION COMMITTEES)

1. (1) Subsections 1 (1) and (2) of Ontario Regulation 288/07 are revoked and the following substituted:

(1) Subject to subsection (3), the source protection committee for a source protection area or source protection region listed in Column 1 of the Table to this section shall be composed of the chair of the committee and,

- (a) before Ontario Regulation 310/15 comes into force, the maximum number of members set out opposite the source protection area or source protection region in Column 2 of the Table;
- (b) on or after the day Ontario Regulation 310/15 comes into force and subject to subsection (5), if a source protection authority satisfies the requirements set out in subsection (7) to reduce the number of members in a source protection committee, no fewer than the minimum number of members set out opposite the source protection area or source protection region in Column 3 of the Table; or
- (c) on or after the day Ontario Regulation 310/15 comes into force and subject to subsection (6), if a source protection authority has reduced the number of members in a source protection committee under clause (b) and satisfies the requirements set out in subsection (7) to increase the number of members in the source protection committee, no more than the maximum number of members set out opposite the source protection area or source protection region in Column 2 of the Table.

(2) Section 1 of the Regulation is amended by adding the following subsections:

(4) Despite clauses (1) (b) and (c), the composition of the source protection committee must continue to meet the requirements set out in paragraphs 1, 2 and 3 of section 2.

(5) For the purposes of clause (1) (b), the number of members in a source protection committee shall be reduced in accordance with the following rules:

- 1. If the maximum number of members set out in Column 2 of the Table to this section with respect to the source protection committee is 21 members, the committee may be reduced in size to 18, 15, 12 or 9 members.
- 2. If the maximum number of members set out in Column 2 of the Table to this section with respect to the source protection committee is 15 members, the committee may be reduced in size to 12, 9 or 6 members.
- 3. If the maximum number of members set out in Column 2 of the Table to this section with respect to the source protection committee is 9 members, the committee may be reduced in size to 6 members.

(6) For the purposes of clause (1) (c), the number of members in a source protection committee shall be increased in accordance with the following rules:

- 1. If the minimum number of members set out in Column 3 of the Table to this section with respect to the source protection committee is 6 members and the maximum number of members set out in Column 2 of the Table with respect to the committee is 9 members, the committee may be increased in size to 9 members.
- 2. If the minimum number of members set out in Column 3 of the Table to this section with respect to the source protection committee is 6 members and the maximum number of members set out in Column 2 of the Table with respect to the committee is 15 members, the committee may be increased in size to 9 or 12 or 15 members.
- 3. If the minimum number of members set out in Column 3 of the Table to this section with respect to the source protection committee is 9 members and the maximum number of members set out opposite in Column 2 of the Table with respect to the committee is 21 members, the committee may be increased in size to 12, 15, 18 or 21 members.

(7) The requirements referred to in clauses (1) (b) and (c) to reduce or increase the number of members in a source protection committee are the following:

- 1. The source protection authority must consult with the chair of the source protection committee about the authority's intention to pass a resolution described in paragraph 3 before passing such a resolution.

2. In the case of a source protection committee established for a source protection region, the lead source protection authority must consult with every other source protection authority in the source protection region before passing a resolution described in paragraph 3.
3. The source protection authority must pass a resolution to reduce or increase the number of members of the source protection committee.

(3) The Table to section 1 of the Regulation is revoked and the following substituted:

2. (1) Subsections 4 (1), (2), (3) and (4) of the Regulation are revoked and the following substituted:

(1) Each source protection authority shall, before appointing a member to the committee under paragraphs 2 and 3 of section 2, publish a notice described in subsection (2) on the Internet.

(2) A notice referred to in subsection (1) that is published on the Internet must contain the following information:

1. A summary of the functions of the source protection committee established by the source protection authority.
2. A summary of the obligations of a member of the source protection committee.
3. A description of the information that must be submitted to the source protection authority by applicants for appointments pursuant to paragraphs 2 and 3 of section 2.
4. The date by which applications for appointments pursuant to paragraphs 2 and 3 of section 2 must be submitted to the source protection authority.
5. The address of the Internet website where the notice is published.
6. The name, address and telephone number of a person who may be contacted for further information and to whom applications must be submitted.

(3) In addition to publishing the notice required by subsection (1), if the source protection authority is of the opinion that it is necessary in the circumstances to notify the public of the vacancy on the source protection committee by publishing a notice in a newspaper, the source protection authority shall publish a notice in one or more newspapers that, in the opinion of the source protection authority, are of sufficient circulation to bring the notice to the attention of the public in all or in part of the source protection area or source protection region.

(4) The date referred to in paragraph 4 of subsection (2) that is set out in a notice published on the Internet under subsection (1) shall be,

- (a) if notice is only published on the Internet under subsection (1), not earlier than one month after the notice is first published on the Internet; or
- (b) if notice is also published in a newspaper under subsection (3), not earlier than one month after the notice is first published in a newspaper.

(2) Subsection 4 (6) of the Regulation is amended by striking out “the notices” and substituting “the notice”.

(3) Subsections 4 (7) and (8) of the Regulation are revoked.

3. Section 5 of the Regulation is revoked.

4. (1) Subclauses 6 (2) (d) (i), (ii) and (iii) of the Regulation are revoked and the following substituted:

- (i) one person to be appointed as a member of the source protection committee if, without regard to subsection 1 (3), under subsection 1 (1) the source protection committee has 6 or 9 members,
- (ii) two persons to be appointed as members of the source protection committee if, without regard to subsection 1 (3), under subsection 1 (1) the source protection committee has 12 or 15 members, or
- (iii) three persons to be appointed as members of the source protection committee if, without regard to subsection 1 (3), under subsection 1 (1) the source protection committee has 18 or 21 members.

(2) Subsection 6 (3) of the Regulation is amended by adding “and the length of the term of the appointment” after “clause (2) (d)”.

5. Section 8 of the Regulation is revoked and the following substituted:

Term of appointment

8. (1) The term of the appointment of a member of a source protection committee who was appointed by a source protection authority on or before the day Ontario Regulation 310/15 came into force for a term governed by subsection 8 (1) or (3), as it read immediately before that day, expires in accordance with the following rules:

1. In the case of a source protection committee established for a source protection area, the term must expire before January 1 of the calendar year in which the third annual progress report required by section 46 of the Act is required to be submitted.
2. In the case of a source protection committee established for a source protection region, if the third annual progress reports required by section 46 of the Act with respect to the source protection areas in the source protection region are required to be submitted in the same calendar year, the term must expire before January 1 in that calendar year.
3. In the case of a source protection committee established for a source protection region, if the third annual progress reports required by section 46 of the Act with respect to the source protection areas in the source protection region are required to be submitted in different calendar years, the term must expire before January 1 in the last calendar year in which the final report is required to be submitted.

(2) A source protection authority that appoints a person as a member of a source protection committee on or after the day Ontario Regulation 310/15 comes into force may appoint the member for a term of not less than six months and not more than five years.

(3) Despite subsections (1) and (2), the composition of the source protection committee must continue to meet the requirements set out in paragraphs 1, 2 and 3 of section 2.

(4) Despite subsections (1) and (2), the term of the appointment of a member of a source protection committee who is appointed pursuant to section 6 is the term provided under subsection 6 (3).

6. (1) Subsection 9 (1) of the Regulation is amended by adding “Subject to subsection (1.1)” at the beginning.

(2) Section 9 of the Regulation is amended by adding the following subsection:

(1.1) If a vacancy arises as a result of the expiration of a member’s term of office due to the operation of subsection 8 (3), as it read immediately before the day Ontario Regulation 310/15 came into force, the authority may appoint a new member to fill the vacancy or reappoint the same member as long as the term of the appointment or reappointment expires in accordance with the rules set out in subsection 8 (1).

(3) Subsections 9 (3) and (4) of the Regulation are revoked and the following substituted:

- (3) Subsection (2) does not apply to,
 - (a) a vacancy that arises as a result of the removal of a member from office under subsection 22 (6); or
 - (b) a vacancy described in subsection (1.1) that is filled by the reappointment of a member under that subsection.

7. Subsection 13 (1) of the Regulation is amended by striking out “that the source protection authority is authorized to appoint” and substituting “that the source protection authority is authorized to appoint under section 2”.

8. Section 16 of the Regulation is revoked and the following substituted:

Meetings

16. The source protection committee shall give notice of committee meetings to the public by publishing the current meeting schedule on the Internet and in such other manner as may be determined by the committee.

9. Paragraph 3 of section 19 of the Regulation is amended by striking out “A person designated by the Minister as” at the beginning.

10. Section 21 of the Regulation is revoked.

Commencement

11. This Regulation comes into force on the day it is filed.
