(2) Un agent ou un gestionnaire peut effectuer sur-le-champ une fouille visée au paragraphe (1) sans l'autorisation du chef d'établissement s'il a des motifs raisonnables de croire qu'un détenu détruira un objet détenu illégalement ou s'en départira pendant le délai nécessaire pour obtenir cette autorisation.

22.2 (1) Le présent article s'applique aux fouilles de personnes autres que des détenus.

(2) Au présent article, la mention d'un «objet détenu illégalement» vaut mention d'un bien qui serait un objet détenu illégalement s'il était en la possession d'un détenu, à moins que le chef d'établissement n'en autorise la possession.

(6) Le chef d'établissement peut autoriser des personnes déterminées à effectuer une fouille d'une personne autre qu'un détenu au moyen d'une technologie qui produit une image du corps de la personne, ou de l'emplacement suspecté d'un objet détenu illégalement sur son corps, si les conditions suivantes sont réunies :

- a) la personne entre ou se trouve dans un secteur de sécurité de l'établissement correctionnel;
- b) le chef d'établissement a des motifs raisonnables de croire que la personne a en sa possession un objet détenu illégalement;
- c) une fouille discrète ou par palpation ne serait pas suffisante pour établir si la personne a ou non en sa possession un objet détenu illégalement.

(7) Le chef d'établissement peut autoriser des personnes déterminées à effectuer une fouille des possessions d'une personne autre qu'un détenu qui se trouvent sur les lieux de l'établissement correctionnel s'il a des motifs raisonnables de croire ce qui suit :

- a) les possessions peuvent inclure un objet détenu illégalement;
