INTERPRETATION

(2) Subsections 27 (1) and (2) of the Regulation are revoked and the following substituted:

(1) For the purposes of section 28.0.2,

(a) a preferred provider arrangement is a written agreement between the Minister and the operator of a hospital or health facility outside Ontario but within Canada for the delivery of specified insured services to insured persons; and

(b) a reference to the preferred provider is a reference to the operator.

(3) Section 27 of the Regulation is amended by adding the following subsection:

(5) In sections 28 to 29,

“in-patient services” means the hospital or health facility component of services,

- (a) that are provided by a hospital to a hospital in-patient, or
- (b) that are provided by a health facility to a person who is admitted for an overnight stay in the health facility;

4. Sections 28 and 28.0.1 of the Regulation are revoked and the following substituted:

28. (1) Out-patient services rendered outside Ontario but within Canada are prescribed as insured services if they are rendered in a hospital and,

- (a) they are medically necessary;
- (b) they are rendered by persons other than physicians, dental surgeons, optometrists, osteopaths or podiatrists;
- (c) the hospital that supplied the service is approved by the General Manager for the purpose of the Plan;

 - (ii) arose outside Ontario, and

(4) The amount to be reimbursed under subsection (3) is the amount payable in accordance with the applicable interprovincial reciprocal billing agreement entered into by the Minister under clause 2 (2) (b) of the Act.

(5) Despite anything in this section, this section does not apply to a service that is a therapeutic laboratory service or a diagnostic laboratory test, unless the therapeutic laboratory service or diagnostic laboratory test is necessary for the purpose of rendering a service that is insured under this section and that is not a therapeutic laboratory service or diagnostic laboratory test.

28.0.1 (1) In-patient services rendered outside Ontario but within Canada are prescribed as insured services if they are rendered in a hospital and,

- (a) the services are medically necessary;
- (b) it is medically necessary that the services be provided on an in-patient basis;
- (c) in Ontario, the insured person would ordinarily have been admitted as an in-patient of a public hospital to receive the services;

 - (b) the service is medically necessary; and
 - (c) the service, if performed in Ontario, is one to which the insured person would be entitled without charge pursuant to section 8.
- (5) Despite anything else in this section, where a service rendered outside Ontario but within Canada at a hospital or health facility consists primarily of the administration of a drug, the service, including the provision of the drug to be administered, is only an insured service if,
- (a) all of the other applicable conditions under this section are satisfied; and
 - (b) there is a recommendation from the executive officer appointed under the *Ontario Drug Benefit Act* for payment for the drug for a person in the same medical circumstances as the insured person.

- (8) A service is not an insured service under subsection (2) or (3), or under subsection (4) if the service described in subsection (4) consists primarily of the administration of a drug, including the provision of the drug to be administered, unless the following conditions are satisfied:

 2. The application mentioned in paragraph 1 includes written confirmation that the conditions set out in clauses (3) (a) and (b) and one of the conditions set out in clause (3) (c) are satisfied, from,

- (16) Despite anything in this section, this section does not apply to a service that is a therapeutic laboratory service or a diagnostic laboratory test, unless the therapeutic laboratory service or diagnostic laboratory test is necessary for the purpose of rendering a service that is insured under this section and that is not a therapeutic laboratory service or diagnostic laboratory test.
- (17) The amount payable for insured services prescribed by this section,
- (a) in the case of a health facility, is the amount provided for in the preferred provider arrangement; and
 - (b) in the case of a hospital, is the amount payable in accordance with the applicable interprovincial reciprocal billing agreement entered into by the Minister under clause 2 (2) (b) of the Act, unless the Minister has entered into a preferred provider arrangement with the hospital, in which case the amount payable is the amount provided for in the preferred provider arrangement.

(18) Where an insured person is receiving insured in-patient services at a hospital or a health facility outside Ontario but within Canada on April 1, 2014, section 28 or 28.0.1 of this Regulation, as the case may be, as they existed immediately before that date, continue to apply for the duration of the time that the insured person is receiving in-patient services for the same condition at the same hospital or health facility.
