NOTICE IS HEREBY GIVEN that, on behalf of the City of Ottawa, ("City"), application will be made to the Legislative Assembly of the Province of Ontario for an Act in respect of the matters set out below.

1. To pass by-laws to separately license, regulate and govern subclasses of owners and drivers of taxicabs used for hire in the City, including the power,

- (a) to define subclasses of owners and drivers of taxicabs used for hire,
- (b) to permit licensed owners and drivers of a subclass of taxicabs

used for hire to provide a taxicab service that falls within a separate subclass on such terms and conditions as Council deems expedient.

- (c) to establish criteria for the issuance of new licenses, including entitlement to one license only, the requirement that the licensee be the sole driver of the taxicab, consideration of the length of time the applicant has been a taxicab driver in the City, the requirement that the applicant has not previously held a taxicab owner's license, and the power to establish the method of issuance of new licenses by means of a lottery system.

where,

TP is the tax paid under subsection 3 (2) of the Act to licence the vehicle for the registration year as part of the first fleet,

MR is the number of whole or partial calendar months in the fleet registration year of the vehicle that have elapsed at the time that the vehicle is transferred divided by 12.

(3) A credit provided under subsection (2) to a registrant may be applied to any tax liability under subsection 3 (2) of the registrant in respect of the fleet of vehicles for the fleet registration year or for the immediately following registration year, but not to any subsequent registration year.

(4) If the registrant has not received the credit or any portion of the credit provided under this section by May 31, 2002, the registrant may apply to the Minister for a refund of the amount not credited.

24.4 (1) For the purposes of subsection 3 (9) of the Act, the depreciated value of the multijurisdictional vehicle shall be determined in accordance with the following formula:

where,

DPV is the depreciated value of the vehicle,

VTV is the vehicle taxable value,

M is the number of months or partial calendar months that the vehicle was owned by the owner of the vehicle.

(3) The owner shall pay the tax owing under subsection 3 (9) of the Act at the time that the multijurisdictional vehicle is registered under the *Highway Traffic Act* for use in Ontario only.

(4) No tax is payable under subsection 3 (9) of the Act upon any subsequent registration of the same vehicle by the same owner under the *Highway Traffic Act* for use in Ontario only.

24.5 (1) If tax had been paid under section 2 of the Act by the owner on the basis that the multijurisdictional vehicle was used solely in Ontario prior to the vehicle being registered under the International Registration Plan, the owner, upon application and upon providing proof of the amount of tax paid, is entitled to a credit equal to the tax payable under subsection 3 (9) of the Act.

(2) If tax had been paid under subsection 15.1 (2) or 15.2 (2) on the multijurisdictional vehicle prior to the vehicle being registered under the International Registration Plan, the owner, upon application and upon providing proof of the amount of tax paid, is entitled to a credit against the tax payable under subsection 3 (9) of the Act calculated in accordance with the following formula:

$$\text{TC1} = \text{DPV} \times 8\% \times \text{OTR}$$

where,

TC1 is the amount of the credit available;

DPV is the depreciated value of the vehicle, as determined under subsection 24.4 (1).

OTR is the proportion that the distance travelled in Ontario is of the total distance travelled both inside and outside Ontario used in the calculation of the tax under subsection 15.1 (2) or 15.2 (2).

TC is the amount of the refund,

T is the amount of tax paid under subsection 3 (2) of the Act on the trade-in vehicle,

MR is the number of whole or partial calendar months in the vehicle's registration year remaining at the time that the vehicle is traded in divided by 12.

“replacement vehicle” means a vehicle that is leased to be used as a replacement for a multijurisdictional vehicle that is being repaired and unavailable for use during a portion of the vehicle's registration year.

(2) Subject to subsection (3), if tax is paid under subsection 3 (2) of the Act on a replacement vehicle, the Minister may, upon receipt of an application and evidence satisfactory to the Minister, refund the tax paid under subsection 3 (2) of the Act on the multijurisdictional vehicle being repaired so long as the replacement vehicle is used only in accordance with the terms of the licence issued for the multijurisdictional vehicle.

(3) No refund under this section shall exceed the amount of tax paid on lease payments for the replacement vehicle in respect of rental periods that are within the period during which the multijurisdictional vehicle is being repaired and the registration year of the multijurisdictional vehicle.

24.8 (1) The Minister may, upon receipt of an application and evidence satisfactory to the Minister, refund to a person who registers a vehicle under the International Registration Plan in a jurisdiction other than Ontario an amount equal to the credit determined under section 24.2 if the person,
