ASSESSMENT ACT

Made: December 12, 2016

Filed: December 13, 2016

Published on e-Laws: December 13, 2016

Printed in *The Ontario Gazette*: December 31, 2016Amending O. Reg. 282/98
(GENERAL)**1. Ontario Regulation 282/98 is amended by adding the following section immediately before the heading “Adjustments under Section 19.1 of the Act”:**

47.2 (1) For the purposes of paragraph 9 of subsection 14 (1) of the Act, the following information must be included on the assessment roll for the 2017, 2018 and 2019 taxation years:

1. The assessment, classification or liability for taxes of the land as shown on the assessment roll returned for the 2016 taxation year, adjusted for any changes in value for assessment purposes and any changes in classification or liability for taxes, if the changes would affect the assessment of the land on the assessment roll for the 2017, 2018 or 2019 taxation year.
2. The assessment of the land for the taxation year, as adjusted under section 19.1 of the Act.

(2) For the purposes of paragraph 1 of subsection (1), the assessment of the land is adjusted for only those changes in value for assessment purposes that are not the result of a general reassessment, after any further changes required as a result of a reconsideration under section 39.1 of the Act or an appeal under section 40 of the Act.

2. The Regulation is amended by adding the following section immediately before the heading “Prescribed Property Classes for the Purposes of Subsection 19.1 (2) of the Act”:

48.4 (1) This section applies with respect to the assessment of land if section 19.1 of the Act applies with respect to the current value of the land for the 2017, 2018 and 2019 taxation years.

(2) A reference in this section to an assessment of land shown on the assessment roll for the 2016 taxation year or that would be shown on the assessment roll for the 2017 taxation year is deemed to be a reference to the assessment of the land for that taxation year as shown on the assessment roll or the tax roll, as the case may be, after any changes required as a result of any of the following:

1. A correction under section 32 of the Act.
2. A reconsideration under section 39.1 of the Act.
3. An appeal under section 40 of the Act.
4. An application under section 46 of the Act.

(3) The eligible increase in respect of the land for the 2017, 2018 and 2019 taxation years is the amount, if any, by which “A” exceeds “B”,

where,

“A” is the assessment of the land that would be shown on the assessment roll for the 2017 taxation year if subsection 19.1 (3) of the Act did not apply, and

“B” is the assessment of the land that is shown on the assessment roll for the 2016 taxation year.

(4) Despite subsection (3), the eligible increase in respect of the land for the 2017, 2018 and 2019 taxation years is the amount by which the amount of “A” in subsection (3) exceeds the amount of “B” in subsection (3), as adjusted for the purposes of paragraph 1 of subsection 47.2 (1),

- (a) if the amount of “A” in subsection (3) exceeds the amount of “B” in subsection (3), as adjusted for the purposes of paragraph 1 of subsection 47.2 (1); and
- (b) if the amount of the assessment for the 2016 taxation year and as further adjusted for the purposes of paragraph 1 of subsection 47.2 (1) does not equal the assessment of the land that is shown on the assessment roll for the 2016 taxation year.

(5) Despite subsections (3) and (4), the eligible increase in respect of the land for the 2017, 2018 and 2019 taxation years is the amount by which the amount of “A” in subsection (3) exceeds the amount of “B” in subsection (3) as adjusted under

subsection (4) to reflect a change to the assessment of the land in respect of the 2016 taxation year that results or could result in an application under subsection 357 (1), 358 (1) or 359 (1) of the *Municipal Act, 2001*, subsection 323 (1), 325 (1) or 326 (1) of the *City of Toronto Act, 2006* or subsection 8 (1) of the *Provincial Land Tax Act, 2006* or a notice under subsection 10 (1) of the *Provincial Land Tax Act, 2006* if,

- (a) the change is not reflected in the assessment for the 2016 taxation year or the assessment for the 2016 taxation year as adjusted for the purposes of paragraph 1 of subsection 47.2 (1) for the 2017 taxation year; and
- (b) an assessment is made under subsection 32 (1.1), (2), (3) or (4), section 33 or subsection 34 (1) or (2) of the Act to reflect that change in the assessment for the 2017, 2018 or 2019 taxation year, before any adjustment under section 19.1 of the Act.

(6) Despite subsections (3), (4) and (5), if an assessment is made under section 33 of the Act after January 1, 2017 that applies to any portion of the 2016 taxation year, the eligible increase for the 2017, 2018 and 2019 taxation years is the amount, if any, by which “A” exceeds “B”,

where,

“A” is the assessment of the land that would be shown on the assessment roll for the 2017 taxation year if subsection 19.1 (3) of the Act did not apply, plus the amount of the assessment made in respect of the year under section 33 of the Act, and

“B” is the assessment of the land that is shown on the assessment roll for the 2016 taxation year, described in subsection (3), (4) or (5) as the case may be, plus the assessment made in respect of the year under section 33 of the Act, applied to the land for the entire year.

(7) If subsection (6) applies, the amount of the additional assessment made under section 33 of the Act is calculated using the formula,

$$A - (B \times C) - D$$

in which,

“A” has the same meaning as in subsection (6),

“B” is 75 per cent if the additional assessment applies to the 2017 taxation year, 50 per cent if the additional assessment applies to the 2018 taxation year or 25 per cent if the additional assessment applies to the 2019 taxation year,

“C” is the amount, if any, of the eligible increase determined under subsection (6), and

“D” is the assessment of the land that is shown on the assessment roll that does not include the additional assessment or, if the land is severed, the current value of the land attributed to the applicable severed portion as apportioned under section 356 of the *Municipal Act, 2001*, section 322 of the *City of Toronto Act, 2006* or section 11 of the *Provincial Land Tax Act, 2006*, as the case may be, for the taxation year in which the additional assessment is made.

(8) If subsection (6) applies, the amount of the supplemental assessment for land or a portion of land that relates to a change in classification or change from taxable to non-taxable, or vice versa, is calculated using the formula,

$$A - (E \times C) - F$$

in which,

“A” has the same meaning as in subsection (6),

“E” is 75 per cent if the supplemental assessment applies to the 2017 taxation year, 50 per cent if the supplemental assessment applies to the 2018 taxation year or 25 per cent if the supplemental assessment applies to the 2019 taxation year,

“C” is the amount, if any, of the eligible increase determined under subsection (6), and

“F” is the assessment of the land that is shown on the assessment roll that does not include the supplemental assessment or, if the land is severed, the current value of the land attributed to the applicable severed portion as apportioned under section 356 of the *Municipal Act, 2001*, section 322 of the *City of Toronto Act, 2006* or section 11 of the *Provincial Land Tax Act, 2006*, as the case may be, for the taxation year in which the supplemental assessment is made.

(9) If both subsections (7) and (8) apply in determining the amount of an additional or supplemental assessment, subsection (8) is applied before subsection (7).

(10) Despite subsections (3), (4), (5) and (6), if there is a change to the value of the land as of January 1, 2016, the eligible increase in respect of the land for the 2018 and 2019 taxation years is the amount by which the amount of “B” in subsection (3), as adjusted under subsection (4), (5) or (6), if applicable, is less than the amount of the assessment of the land for the 2018 or 2019 taxation year determined as if subsection 19.1 (3) of the Act did not apply.

(11) This section applies as follows in the following circumstances:

1. If different portions of the land are classified in different classes of real property prescribed under section 7 of the Act or prescribed under the *Education Act*, or if a subclass is prescribed under section 8 of the Act in respect of one or more portions of the land, this section applies to each portion of the land that is in a different class or subclass, as the case may be, as if it were separate land.
2. If different portions of the land are subject to different tax rates for municipal or school purposes, or a portion of the land is exempt from either or both types of taxes, this section applies to each portion as if it were separate land.
3. This section applies in respect of any portion of the land assessed against a tenant under subsection 18 (1) of the Act.

3. (1) Subsection 50 (1) of the Regulation is amended by adding the following paragraphs:

- 2.1 The amount of the assessment of land for the 2016 taxation year, as adjusted for the purposes of paragraph 1 of subsection 47.2 (1), or the classification of the land for the purposes of that paragraph.

4. A recalculation of the eligible increase under subsection 48.4 (5).

(2) Section 50 of the Regulation is amended by adding the following subsection:

- (4) An appeal under paragraph 2.1 of subsection (1) does not affect any tax liability for the land for the 2016 taxation year.

- 4. This Regulation comes into force on the day it is filed.**

(DISPOSITIONS GÉNÉRALES)

1. Le Règlement de l'Ontario 282/98 est modifié par adjonction de l'article suivant avant l'intertitre «Redressements au titre de l'article 19.1 de la Loi» :

47.2 (1) Pour l'application de la disposition 9 du paragraphe 14 (1) de la Loi, les renseignements suivants doivent figurer dans le rôle d'évaluation pour les années d'imposition 2017, 2018 et 2019 :

1. L'évaluation ou la classification du bien-fonds ou l'impôt à payer sur celui-ci, tels qu'ils figurent dans le rôle d'évaluation déposé pour l'année d'imposition 2016, redressés pour tenir compte de tout changement de valeur aux fins d'évaluation foncière et de tout changement de classification ou de l'impôt à payer, si ce changement a une incidence sur l'évaluation du bien-fonds indiquée dans le rôle d'évaluation de l'année d'imposition 2017, 2018 ou 2019.
2. L'évaluation du bien-fonds pour l'année d'imposition, redressée en vertu de l'article 19.1 de la Loi.

(2) Pour l'application de la disposition 1 du paragraphe (1), l'évaluation du bien-fonds est redressée pour tenir compte uniquement des changements de valeur aux fins d'évaluation foncière qui ne découlent pas d'une réévaluation générale, après tout autre changement exigé par suite d'un réexamen effectué en vertu de l'article 39.1 de la Loi ou d'un appel interjeté en vertu de l'article 40 de la Loi.

2. Le Règlement est modifié par adjonction de l'article suivant avant l'intertitre «Catégories de biens prescrites pour l'application du paragraphe 19.1 (2) de la Loi» :

48.4 (1) Le présent article s'applique à l'égard de l'évaluation d'un bien-fonds si l'article 19.1 de la Loi s'applique à l'égard de la valeur actuelle du bien-fonds pour les années d'imposition 2017, 2018 et 2019.

(2) La mention, au présent article, de l'évaluation d'un bien-fonds qui figure dans le rôle d'évaluation de l'année d'imposition 2016 ou qui figurerait dans le rôle d'évaluation de l'année d'imposition 2017 vaut mention de l'évaluation du bien-fonds pour cette année d'imposition telle qu'elle figure dans le rôle d'évaluation ou le rôle d'imposition, selon le cas, après tout changement exigé par suite de l'une ou l'autre des mesures suivantes :

1. Une correction effectuée en vertu de l'article 32 de la Loi.
2. Un réexamen effectué en vertu de l'article 39.1 de la Loi.
3. Un appel interjeté en vertu de l'article 40 de la Loi.
4. Une requête présentée en vertu de l'article 46 de la Loi.

(3) L'augmentation admissible à l'égard du bien-fonds pour les années d'imposition 2017, 2018 et 2019 correspond à l'excédent éventuel de l'élément «A» sur l'élément «B», où :

«A» représente l'évaluation du bien-fonds qui figurerait dans le rôle d'évaluation de l'année d'imposition 2017 si le paragraphe 19.1 (3) de la Loi ne s'appliquait pas,

«B» représente l'évaluation du bien-fonds qui figure dans le rôle d'évaluation de l'année d'imposition 2016.

(4) Malgré le paragraphe (3), l'augmentation admissible à l'égard du bien-fonds pour les années d'imposition 2017, 2018 et 2019 correspond à l'excédent du montant de l'élément «A» au paragraphe (3) sur le montant de l'élément «B» au paragraphe (3), redressé pour l'application de la disposition 1 du paragraphe 47.2 (1), si les conditions suivantes sont réunies :

- a) le montant de l'élément «A» au paragraphe (3) est supérieur au montant de l'élément «B» au paragraphe (3), tel qu'il est redressé pour l'application de la disposition 1 du paragraphe 47.2 (1);
- b) le montant de l'évaluation pour l'année d'imposition 2016, tel qu'il est redressé de nouveau pour l'application de la disposition 1 du paragraphe 47.2 (1), ne correspond pas à l'évaluation du bien-fonds qui figure dans le rôle d'évaluation de cette année-là.

(5) Malgré les paragraphes (3) et (4), l'augmentation admissible à l'égard du bien-fonds pour les années d'imposition 2017, 2018 et 2019 correspond à l'excédent du montant de l'élément «A» au paragraphe (3) sur le montant de l'élément «B» au paragraphe (3), redressé au titre du paragraphe (4) pour tenir compte d'un changement apporté à l'évaluation du bien-fonds à l'égard de l'année d'imposition 2016 qui entraîne ou pourrait entraîner la présentation d'une demande visée au paragraphe 357 (1), 358 (1) ou 359 (1) de la *Loi de 2001 sur les municipalités*, au paragraphe 323 (1), 325 (1) ou 326 (1) de la *Loi de 2006 sur la cité de Toronto* ou au paragraphe 8 (1) de la *Loi de 2006 sur l'impôt foncier provincial* ou la remise d'un avis prévu au paragraphe 10 (1) de la *Loi de 2006 sur l'impôt foncier provincial*, si les conditions suivantes sont réunies :

- a) il n'est pas tenu compte du changement dans l'évaluation pour l'année d'imposition 2016 ou l'évaluation pour l'année d'imposition 2016, redressée pour l'application de la disposition 1 du paragraphe 47.2 (1) pour l'année d'imposition 2017;
- b) une évaluation est effectuée en vertu du paragraphe 32 (1.1), (2), (3) ou (4), de l'article 33 ou du paragraphe 34 (1) ou (2) de la Loi pour tenir compte d'un changement apporté à l'évaluation pour l'année d'imposition 2017, 2018 ou 2019, avant tout redressement effectué en vertu de l'article 19.1 de la Loi.

(6) Malgré les paragraphes (3), (4) et (5), si une évaluation est effectuée en vertu de l'article 33 de la Loi après le 1er janvier 2017 et qu'elle s'applique à une fraction de l'année d'imposition 2016, l'augmentation admissible pour les années d'imposition 2017, 2018 et 2019 correspond à l'excédent éventuel de l'élément «A» sur l'élément «B» :

où :

- «A» représente l'évaluation du bien-fonds qui figurerait dans le rôle d'évaluation de l'année d'imposition 2017 si le paragraphe 19.1 (3) de la Loi ne s'appliquait pas, majorée du montant de l'évaluation effectuée à l'égard de l'année en vertu de l'article 33 de la Loi,
- «B» représente l'évaluation du bien-fonds qui figure dans le rôle d'évaluation de l'année d'imposition 2016, visée au paragraphe (3), (4) ou (5), selon le cas, majorée de l'évaluation effectuée à l'égard de l'année en vertu de l'article 33 de la Loi, appliquée au bien-fonds pour toute l'année.

(7) Si le paragraphe (6) s'applique, le montant de l'évaluation additionnelle effectuée en vertu de l'article 33 de la Loi est calculé selon la formule suivante :

$$A - (B \times C) - D$$

où :

- «A» s'entend au sens du paragraphe (6),
- «B» représente 75 % si l'évaluation additionnelle s'applique à l'année d'imposition 2017, 50 % si l'évaluation additionnelle s'applique à l'année d'imposition 2018 ou 25 % si l'évaluation additionnelle s'applique à l'année d'imposition 2019,
- «C» représente l'augmentation admissible éventuelle calculée en application du paragraphe (6),
- «D» représente l'évaluation du bien-fonds figurant dans le rôle d'évaluation qui ne comprend pas l'évaluation additionnelle ou, si le bien-fonds est séparé, la valeur actuelle du bien-fonds attribuée à la partie séparée concernée selon la répartition prévue par l'article 356 de la *Loi de 2001 sur les municipalités*, l'article 322 de la *Loi de 2006 sur la cité de Toronto* ou l'article 11 de la *Loi de 2006 sur l'impôt foncier provincial*, selon le cas, pour l'année d'imposition où l'évaluation additionnelle est effectuée.

(8) Si le paragraphe (6) s'applique, le montant de l'évaluation complémentaire visant un bien-fonds ou une partie d'un bien-fonds qui se rapporte à un changement de classification ou à un changement qui rend le bien-fonds imposable alors qu'il ne l'était pas, ou vice-versa, est calculé selon la formule suivante :

$$A - (E \times C) - F$$

où :

- «A» s'entend au sens du paragraphe (6),
- «E» représente 75 % si l'évaluation complémentaire s'applique à l'année d'imposition 2017, 50 % si l'évaluation complémentaire s'applique à l'année d'imposition 2018 ou 25 % si l'évaluation complémentaire s'applique à l'année d'imposition 2019,
- «C» représente l'augmentation admissible éventuelle calculée en application du paragraphe (6),
- «F» représente l'évaluation du bien-fonds figurant dans le rôle d'évaluation qui ne comprend pas l'évaluation complémentaire ou, si le bien-fonds est séparé, la valeur actuelle du bien-fonds attribuée à la partie séparée concernée selon la répartition prévue par l'article 356 de la *Loi de 2001 sur les municipalités*, l'article 322 de la *Loi de 2006 sur*

la cité de Toronto ou l'article 11 de la *Loi de 2006 sur l'impôt foncier provincial*, selon le cas, pour l'année d'imposition où l'évaluation complémentaire est effectuée.

(9) Si les paragraphes (7) et (8) s'appliquent tous deux pour calculer le montant d'une évaluation additionnelle ou complémentaire, le paragraphe (8) est appliqué avant le paragraphe (7).

(10) Malgré les paragraphes (3), (4), (5) et (6), en cas de changement de la valeur du bien-fonds à partir du 1er janvier 2016, l'augmentation admissible à l'égard du bien-fonds pour les années d'imposition 2018 et 2019 correspond à la différence entre le montant de l'élément «B» au paragraphe (3), redressé en application du paragraphe (4), (5) ou (6), s'il y a lieu, et le montant de l'évaluation du bien-fonds pour l'année d'imposition 2018 ou 2019 calculé comme si le paragraphe 19.1 (3) de la Loi ne s'appliquait pas.

(11) Le présent article s'applique comme suit dans les circonstances suivantes :

1. Si différentes parties du bien-fonds sont classées dans des catégories différentes de biens immeubles prescrites en application de l'article 7 de la Loi ou en application de la *Loi sur l'éducation*, ou si une sous-catégorie est prescrite en application de l'article 8 de la Loi à l'égard d'une ou de plusieurs parties du bien-fonds, le présent article s'applique à chaque partie du bien-fonds qui appartient à une catégorie ou sous-catégorie différente, selon le cas, comme s'il s'agissait d'un bien-fonds distinct.
2. Si différentes parties du bien-fonds sont assujetties à des taux d'imposition différents aux fins municipales ou scolaires ou si une partie du bien-fonds est exemptée de l'un ou l'autre type d'impôt, ou des deux, le présent article s'applique à chaque partie comme s'il s'agissait d'un bien-fonds distinct.
3. Le présent article s'applique à l'égard de toute partie du bien-fonds dont l'évaluation vise un locataire comme le prévoit le paragraphe 18 (1) de la Loi.

3. (1) Le paragraphe 50 (1) du Règlement est modifié par adjonction des dispositions suivantes :

- 2.1 Le montant de l'évaluation du bien-fonds pour l'année d'imposition 2016 — telle qu'elle est redressée pour l'application de la disposition 1 du paragraphe 47.2 (1) — ou la classification du bien-fonds pour l'application de cette disposition.

.

4. Un nouveau calcul de l'augmentation admissible visé au paragraphe 48.4 (5).

(2) L'article 50 du Règlement est modifié par adjonction du paragraphe suivant :

(4) L'appel interjeté en vertu de la disposition 2.1 du paragraphe (1) n'a aucune incidence sur l'impôt à payer sur le bien-fonds pour l'année d'imposition 2016.

Entrée en vigueur

4. Le présent règlement entre en vigueur le jour de son dépôt.

Amending O. Reg. 196/11

(RESOLUTE FP CANADA INC. PENSION PLANS)

1. Paragraph 1 of subsection 5 (1) of Ontario Regulation 196/11 is amended by striking out “as described in section 7” at the end and substituting “as described in section 7 or 8, as the case may be”.

2. Section 7 of the Regulation is amended by adding the following subsections:

(1.1) This section does not apply with respect to a 12-month period that begins on or after July 1, 2017 if the employer has filed an election in accordance with section 8 to have that section apply.

(6.1) Despite subsection (6), the following rule applies if an election is filed in accordance with section 8 to have that section apply:

1. If a Quebec pension plan ceases to be a participating pension plan on or before December 31, 2016, the amount of the unpaid annual basic amortization contribution to be made for a month after December 2016 and before July 2017 to that pension plan shall not be reallocated among the remaining participating pension plans.

3. The Regulation is amended by adding the following section:

Annual basic amortization contributions if election filed

8. (1) The employer may file an election with the Superintendent to have this section apply.

(2) The election may only be filed if, under the Quebec Regulation, elections are made to have every participating Quebec pension plan cease to be a participating pension plan on or before December 31, 2016.

(3) The election must be filed before December 31, 2016 and it cannot be withdrawn.

(4) If the election is filed in accordance with this section, the employer (or a person or entity required to make contributions on behalf of the employer) shall make the annual contribution that is required by this section (the “annual basic amortization contribution”) to each of the participating Ontario pension plans for each 12-month period that begins on July 1, 2017 or on July 1 of a subsequent year.

(5) The amount of the annual basic amortization contribution for the 12-month period that begins on July 1 of a particular year is determined using the information in the annual combined report prepared with reference to the valuation date that falls on December 31 of the previous year.

(6) The annual basic amortization contribution is payable in equal monthly instalments, and the amount payable for each month is due on or before the last business day of the month.

(7) The amount of the annual basic amortization contribution that must be made to a particular participating Ontario pension plan under this section for a particular month during the 12-month period is calculated using the formula,

$$A \times B/C$$

in which,

“A” is \$750,000 per month,

“B” is the amount of the adjusted solvency deficiency of the plan as of the applicable valuation date, and

“C” is the sum of the adjusted solvency deficiencies for every participating Ontario pension plan as of the applicable valuation date.

(8) The obligation to make the annual basic amortization contribution to a particular Ontario pension plan is terminated when the pension plan ceases to be a participating pension plan.

(9) If an Ontario pension plan ceases to be a participating pension plan before its annual basic amortization contribution is made in whole or in part under this section to that pension plan, the amount of the unpaid annual basic amortization

contribution to be made to that pension plan shall be reallocated among the remaining participating Ontario pension plans in accordance with the formula set out in subsection (7).

(10) The portion of the annual basic amortization contribution for a particular month reallocated to a particular participating Ontario pension plan is payable to the pension plan as a lump sum within 30 days after the end of the 12-month period described in subsection (4) as it would have been payable to the formerly-participating pension plan.

(11) Despite subsections (8), (9) and (10), if a particular Ontario pension plan ceases to be a participating pension plan because it is fully funded before December 31, 2020,

- (a) the obligation to make the annual basic amortization contribution to the pension plan ends on June 30 after the valuation date of the final report filed under section 32; and
- (b) the monthly contributions made from that valuation date to that June 30th are deemed to be special payments under clause 5 (1) (e) of the General Regulation for purposes of the calculation of present value referred to in clause 1.2 (1) (d) of the General Regulation.

4. The French version of subsection 9 (13) of the Regulation is amended by striking out “régime de retraite participant” in the portion before paragraph 1 and substituting “régime de retraite”.

5. Paragraph 6 of subsection 31 (3) of the Regulation is amended by striking out “under section 7” at the end of the portion before subparagraph i and substituting “under section 7 or 8, as the case may be”.

2. L'article 7 du Règlement est modifié par adjonction des paragraphes suivants :

(1.1) Le présent article ne s'applique pas à l'égard de la période de 12 mois qui commence le 1^{er} juillet 2017 ou après cette date si l'employeur a déposé un choix conformément à l'article 8 afin de faire appliquer cet article.

(6.1) Malgré le paragraphe (6), la règle suivante s'applique si un choix est déposé conformément à l'article 8 afin de faire appliquer cet article :

1. Si un régime de retraite du Québec cesse d'être un régime de retraite participant le 31 décembre 2016 ou avant cette date, le montant de la cotisation d'équilibre de base annuelle impayée à verser à ce régime pour un mois postérieur à décembre 2016, mais antérieur à juillet 2017, ne doit pas être réattribué aux régimes de retraite participants restants.

3. Le Règlement est modifié par adjonction de l'article suivant :

(3) Le choix doit être déposé avant le 31 décembre 2016 et ne peut pas être retiré.

(4) Si le choix est déposé conformément au présent article, l'employeur — ou toute personne ou entité tenue de cotiser pour son compte — verse la cotisation annuelle exigée par le présent article (la «cotisation d'équilibre de base annuelle») à chacun des régimes de retraite de l'Ontario participants pour chaque période de 12 mois qui commence le 1^{er} juillet 2017 ou le 1^{er} juillet d'une année ultérieure.

(5) Le montant de la cotisation d'équilibre de base annuelle pour la période de 12 mois qui commence le 1^{er} juillet d'une année donnée est déterminé sur la base des renseignements contenus dans le rapport combiné annuel préparé en fonction de la date d'évaluation qui tombe le 31 décembre de l'année précédente.

(6) La cotisation d'équilibre de base annuelle est payable en versements mensuels égaux et la somme à payer chaque mois est exigible au plus tard le dernier jour ouvrable du mois.

(7) Le montant de la cotisation d'équilibre de base annuelle qui doit être versée à un régime de retraite de l'Ontario participant particulier en application du présent article pour un mois donné pendant la période de 12 mois est calculé selon la formule suivante :

«B» représente le déficit de solvabilité rajusté du régime à la date d'évaluation applicable;

«C» représente le total des déficits de solvabilité rajustés de chaque régime de retraite de l'Ontario participant à la date d'évaluation applicable.

(8) L'obligation de verser la cotisation d'équilibre de base annuelle à un régime de retraite de l'Ontario participant particulier prend fin lorsque celui-ci cesse d'être un régime de retraite participant.

(9) Si un régime de retraite de l'Ontario cesse d'être un régime de retraite participant avant que sa cotisation d'équilibre de base annuelle ne lui soit versée en totalité ou en partie en application du présent article, le montant de la cotisation d'équilibre

de base annuelle impayée à verser à ce régime est réattribué aux régimes de retraite de l'Ontario participants restants conformément à la formule du paragraphe (7).

(10) La fraction de la cotisation d'équilibre de base annuelle pour un mois donné qui est réattribuée à un régime de retraite de l'Ontario participant particulier est payable au régime sous forme de somme globale dans les 30 jours qui suivent la fin de la période de 12 mois visée au paragraphe (4) comme elle aurait été payable à l'ancien régime de retraite participant.

(11) Malgré les paragraphes (8), (9) et (10), si un régime de retraite de l'Ontario particulier cesse d'être un régime de retraite participant du fait qu'il est pleinement capitalisé avant le 31 décembre 2020 :

- a) l'obligation de verser la cotisation d'équilibre de base annuelle au régime de retraite prend fin le 30 juin suivant la date d'évaluation du rapport final déposé en application de l'article 32;
- b) les cotisations mensuelles versées à partir de cette date d'évaluation jusqu'à ce 30 juin sont réputées être des paiements spéciaux visés à l'alinéa 5 (1) e) du règlement général pour les besoins du calcul de la valeur actuelle visée à l'alinéa 1.2 (1) d) de ce règlement.
