**DICO Differential Premium Score
Determination**

Published, *The Ontario Gazette*, Date February 10, 2018

This document is issued by the Deposit Insurance Corporation of Ontario (the "Corporation") to set out the rules it applies when determining the differential premium score of a credit union or league for a year, pursuant to section 105 of Ontario Regulation 237/09 (the "General Regulation") made under the *Credit Unions and Caisses Populaires Act, 1994* (the "Act"). It sets out the rules for determining the differential premium score of a credit union or league with a financial year beginning on or after January 1, 2018. The score will be used by the Corporation to calculate the annual deposit insurance premium payable by a credit union or league under section 105 of the regulation.

1. Differential Premium Score Determination

The differential premium score of a credit union or league is calculated with reference to the following components:

- Capital: as measured by the level of regulatory capital of the credit union or league; and
- Corporate governance as measured by the effectiveness of the corporate governance practices of the credit union or league as determined with reference to the Act and the by-laws of the Corporation.

The maximum score attainable is 100 points. A credit union or league may receive a maximum of:

- 64 points for the capital component; and
- 36 points for the governance component.

Where a credit union or league does not file its annual return or the resolution of the board of directors as required under the Corporation's By-law No. 5, as amended from time to time, respecting Standards of Sound Business and Financial Practices, the credit union or league will be assigned a score of **zero** points.

2. Capital Component

Points for the capital component of the score are calculated based on information from the annual return filed with the Corporation by the credit union or league.

For all credit unions or leagues, the number of points for the capital component will be determined as follows:

- Where regulatory capital expressed as a percentage of its total assets is **less than 4.00%**, the credit union or league will receive **zero** points for the capital component.
- Where regulatory capital expressed as a percentage of its total assets is **4.00% or more**, the points for the capital component for a credit union or league will be based on its regulatory capital expressed as a percentage of its risk-weighted assets, as follows:
 - Where regulatory capital expressed as a percentage of its risk weighted assets is **less than 8.00%**, the credit union or league will receive **zero** points.
 - Where regulatory capital expressed as a percentage of its risk weighted assets is **greater than or equal to 8.00% and less than 8.10%**, the credit union or league will receive **one** point.

- Where regulatory capital is *greater than or equal to 8.10% and less than 14.00%*, the credit union or league will receive points based on the following formula:

$$[(D - 8.00\%) \div 6.00\%] \times 64$$

in which, "D" is regulatory capital expressed as a percentage of its risk weighted assets

- Where regulatory capital expressed as a percentage of its risk weighted assets is *14.00% or more*, the credit union or league will receive **64** points.

Transitional rule 2018

A credit union that was classified as a class 1 credit union as of December 31, 2017 or a league, and whose financial year-end falls on December 31, 2017, would calculate the capital component according to the Differential Premium Score Determination Document date April 12, 2014.

Credit unions or leagues subject to this transitional rule will revert to the standard calculation for the capital component effective for the 2019 premium billing.

3. Corporate Governance Component

Points for corporate governance will be based on ratings determined during the examination of the credit union or league conducted by the Corporation. Examination ratings will be based on an assessment of compliance with the Act and regulations made under the Act, orders made by the Superintendent of the Financial Services Commission of Ontario or the Corporation, the by-laws of the Corporation, and the credit union's or league's own by-laws and policies.

The maximum rating for each standard is set out in Table 1 below:

**TABLE 1:
CORPORATE GOVERNANCE RATING ALLOCATIONS**

Standard	Maximum Rating
Board of Directors	30
Audit Committee	20
Management	50
Total	100

The ratings for each standard are totaled and then converted to points, based on the following formula:

$$(G \div 100) \times 36$$

in which, "G" is the total rating of all corporate governance standards

Each standard has a number of specific elements that will be separately assessed during the examination of the credit union or league by the Corporation. There are three ratings that can be obtained: Adequate, Needs Improvement, or Inadequate. Ratings will be assigned for each element within each standard as set out in Tables 2, 3 and 4 below:

Détermination de la cote aux fins du calcul de la prime différentielle de la SOAD

Document publié dans la *Gazette de l'Ontario* le 10^{ème} février 2018

Le présent document est publié par la Société ontarienne d'assurance-dépôts (la « Société ») et a pour objet de fixer les règles pour la détermination de la cote aux fins du calcul de la prime différentielle d'une caisse ou d'une fédération pour l'année, en vertu de l'article 105 du Règlement de l'Ontario 237/09 (les « Dispositions générales ») pris en application de la *Loi de 1994 sur les caisses populaires et les credit unions* (la « Loi »). Il énonce les règles pour la détermination de la cote aux fins du calcul de la prime différentielle d'une caisse ou d'une fédération à l'égard d'un exercice qui commence le 1^{er} janvier 2018 ou par la suite. La Société se servira de la cote aux fins du calcul de la prime annuelle d'assurance-dépôts payable par une caisse ou une fédération en vertu de l'article 105 du règlement.

1. Détermination de la cote aux fins du calcul de la prime différentielle

La cote aux fins du calcul de la prime différentielle d'une caisse ou d'une fédération est établie en fonction des éléments suivants:

- Le capital : mesuré d'après le niveau réglementaire de la caisse ou de la fédération;
- La gouvernance : mesurée d'après l'efficacité des méthodes de gouvernance de la caisse ou de la fédération, fondées sur la Loi et les Règlements administratifs de la Société.

Le maximum pouvant être atteint est de 100 points. Une caisse ou une fédération peuvent obtenir un maximum de :

- 64 points pour la composante associée au capital;
- 36 points pour la composante associée à la gouvernance.

Toute caisse ou fédération qui ne soumettent pas leur rapport annuel ou la résolution du conseil conformément au Règlement administratif n° 5 de la Société et ses modifications successives, qui établit des normes de saines pratiques commerciales et financières, se verront attribuer **zéro** point.

2. Composante CAPITAL

Le calcul des points attribués à la composante capital de la cote est déterminé sur la base des informations présentées par la caisse ou la fédération dans le Rapport annuel soumis à la Société.

Le calcul des points attribués à la composante capital de toutes les caisses ou fédérations sera établi comme suit.

- Une caisse ou une fédération qui affichent un ratio *inférieur à 4,00 %* en matière de capital réglementaire exprimé en pourcentage de l'actif total se verront attribuer **zéro** point pour la composante capital.
- Les points pour la composante capital d'une caisse ou d'une fédération qui affichent un ratio de **4,00 % ou plus** en matière de capital réglementaire exprimé en pourcentage de l'actif total seront attribués en fonction de leur capital réglementaire exprimé en pourcentage de l'actif à risque pondéré, de la manière suivante :
 - Une caisse ou une fédération qui affichent un ratio *inférieur à 8,00 %* en matière de capital réglementaire exprimé en pourcentage de l'actif à risque pondéré se verront attribuer **zéro** point.
 - Une caisse ou une fédération qui affichent un ratio *supérieur ou égal à 8,00 % et inférieur à 8,10 %* en matière de capital réglementaire exprimé en pourcentage de l'actif à risque pondéré se verront attribuer **un** point.
 - Une caisse ou une fédération qui affichent un ratio *supérieur ou égal à 8,10 % et inférieur à 14,00 %* en matière de capital réglementaire se verront attribuer des points en fonction de la formule suivante :

$$[(D - 8,00 \%) \div 6,00 \%) \times 64$$

où :

« D » correspond au capital réglementaire exprimé en pourcentage de l'actif à risque pondéré

- Une caisse ou une fédération qui affichent un ratio de **14,00 % ou plus** en matière de capital réglementaire exprimé en pourcentage de l'actif à risque pondéré se verront attribuer **64** points.

Règle transitoire pour 2018

Le calcul des points attribués à la composante capital d'une caisse de catégorie 1 au 31 décembre 2017, ou d'une fédération, et dont l'exercice financier se termine le 31 décembre 2017, sera établi en fonction du Document sur la détermination de la cote aux fins du calcul de la prime différentielle publié le 12 avril 2014.

Dans le cas des caisses ou des fédérations assujetties à cette règle transitoire, les points de la composante capital seront de nouveau attribués selon la méthode standard de calcul pour la facturation des primes de 2019.

3. Composante GOUVERNANCE D'ENTREPRISE

Les points associés à la gouvernance d'entreprise seront accordés selon les cotes obtenues lors de l'inspection de la caisse ou de la fédération, par la Société. Pour établir les cotes d'inspection, on évaluera dans quelle mesure la caisse ou la fédération se conforme à la Loi et à ses règlements, aux ordonnances imposées par le surintendant de la Commission des services financiers de l'Ontario ou de la Société, aux règlements administratifs de la Société et aux propres règlements administratifs et politiques de la caisse ou de la fédération.

Le tableau 1 ci-dessous indique la cote maximale qui peut être obtenue pour chaque norme.

RÉPARTITION DES POINTS POUR
LA GOUVERNANCE D'ENTREPRISE**

où :

You may cancel this agreement at any time during the period that ends ten (10) days after the day you receive a written copy of the agreement. You do not need to give the supplier a reason for cancelling during this 10-day period.

If the supplier does not make delivery within 30 days after the delivery date specified in this agreement or if the supplier does not begin performance of his, her or its obligations within 30 days after the commencement date specified in this agreement, you may cancel this agreement at any time before delivery or commencement of performance. You lose the right to cancel if, after the 30-day period has expired, you agree to accept delivery or authorize commencement of performance.

If the delivery date or commencement date is not specified in this agreement and the supplier does not deliver or commence performance within 30 days after the date this agreement is entered into, you may cancel this agreement at any time before delivery or commencement of performance. You lose the right to cancel if, after the 30-day period has expired, you agree to accept delivery or authorize commencement of performance.

If no address is set out in the agreement, use any address of the supplier that is on record with the Government of Ontario or the Government of Canada or is known by you.

If you cancel this agreement, the supplier has fifteen (15) days to refund any payment you have made and return to you all goods delivered under a trade-in arrangement (or refund an amount equal to the trade-in allowance).

However, if you cancel this agreement after having solicited the goods or services from the supplier and having requested that delivery be made or performance be commenced within ten (10) days after the date this agreement is entered into, the supplier is entitled to reasonable compensation for the goods and services that you received before the earlier of the 11th day after the date this agreement was entered into and the date on which you gave notice of cancellation to the supplier, except goods that can be repossessed by or returned to the supplier.

(4) If the consumer is to receive goods under the agreement, the statement mentioned in paragraph 28 of subsection (1) shall also set out the following:
